

Opioid Litigation Settlement

The State of Iowa along with other states settled claims that certain prescription drug companies and pharmaceutical distributors engaged in misleading and fraudulent conduct in the marketing and sale of opioids and failed to monitor for, detect and prevent diversion of the drugs. The County also settled the same claims and related claims. Due to its settlement of these claims, the County will receive payments from the Defendant companies over the next seventeen years. The County is required to use these funds for activities to remediate the opioid crisis and treat or mitigate opioid use disorder and related disorders through prevention, harm reduction, treatment, and recovery services .
