| <b>E</b> Eligibility                     | <b>J</b> Program Income                           |                                       |

\* If deviations are noted, the auditor should make inquiries to understand the consequences of the deviation(s) and determine whether the test of controls can be relied upon, whether additional tests are necessary and whether the risk of material non-compliance needs to be addressed through substantive procedures.

Did control or fraud risk change based on the tests of controls or other procedures? ☐ Yes ☐ No

If yes, describe the effect on substantive testing.
