**SIGNIFICANT FINDINGS
FROM THE AUDIT**

IN ATTENDANCE:

<u>Agency</u>		<u>Auditor</u>	
Name	Title	Name	Title

The auditor should communicate significant findings from the audit with those charged with governance, including the following matters (AU-C 250.21, AU-C 260.12 through AU-C 260.14)

(A) Accounting Policies

Significant accounting policies used by the Agency are described in Note 1 to the financial statements. Except as noted below, no new accounting policies were adopted and the application of existing policies was not changed during the fiscal year. Except as noted below, we noted no instances where an otherwise acceptable accounting practice is not appropriate to the circumstances of the Agency.

Exceptions:

(B) Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility future events affecting them may differ significantly from those expected. We evaluated key factors and assumptions used in the significant estimates used by the Agency in determining the reasonableness in relation to the financial statements taken as a whole.

List significant estimates:

(C) Significant Unusual Transactions

Except as noted below, we encountered no significant unusual transactions during our audit. (Significant unusual transactions may include: the auditor's views on the policies and practices management used to account for significant unusual transactions and the auditor's understanding of the business purpose for significant unusual transactions.)

SIGNIFICANT FINDINGS
FROM THE AUDIT

(D) Difficulties Encountered in Performing the Audit

Except as noted below, we encountered no significant difficulties in dealing with management in performing and completing our audit.

Exceptions:

(E) Nonaudit Services

We have met the requirements for performing nonaudit services under paragraph 3.37 and 3.39 of the 2011 Yellow Book. Except as noted below, there were no such nonaudit services provided.

Exceptions:

(F) Uncorrected Misstatements

We have provided management with a listing of all uncorrected misstatements identified during the audit in the management representation letter. In our judgment, none of the uncorrected misstatements, either individually or in the aggregate, indicate matters that could have a significant effect on the Agency's financial reporting process.

(G) Disagreements with Management

Professional standards define a disagreement with management as a matter, whether or not resolved or not resolved to our satisfaction, concerning a financial accounting, reporting or auditing matter that could be significant to the financial statements or the auditor's report. Except as noted below, no such disagreements arose during the course of our audit.

Exceptions:

(H)) Difficult or Contentious Matters For Which the Auditor Consulted Outside the Engagement Team

Except as noted below, we encountered no difficult or contentious matters for which we consulted outside the engagement team in performing and completing our audit.

**SIGNIFICANT FINDINGS
FROM THE AUDIT**

(H) Corrected Misstatements

The following corrected misstatements were brought to the attention of management as a result of audit procedures performed:

(I) Consultation with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a “second opinion” on certain situations. If consultation involves application of an accounting principle to the Agency’s financial statements or a determination of the type of auditor’s opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine the consultant has all the relevant facts. Except as noted below, there were no such consultations with other accountants.

Exceptions:

(J) Significant Issues

Significant issues arising from the audit were discussed with or were the subject of correspondence with management.

List any significant issues:

(K) Comments

We have provided our written comments and recommendations regarding the Agency’s financial statements and operations, including matters involving noncompliance with laws and regulations.

NOTE: Information discussed during the exit conference is confidential until the audit report or management letter is released.
