NEWS RELEASE

FOR RELEASE July 8, 2005

Contact: Andy Nielsen
515/281-5834

Auditor of State David A. Vaudt today released an audit report on the Iowa Centennial Memorial Foundation for the year ended May 31, 2005.

The Iowa Centennial Memorial Foundation was incorporated January 5, 1949, and was established as a result of an executive order transferring the assets of the Iowa Centennial Committee to the Foundation. A fund was established to recognize and encourage outstanding ability and leadership as a permanent observance of the Centennial.

For the year ended May 31, 2005, the Foundation reported net additions of \$17,769 from investment income, a 10% decrease from the prior year. Investment income consisted of interest income of \$39,932, net of a decrease in the fair value of investments of \$22,163. The decrease in additions was primarily due to a decline in interest earnings on investments.

Deductions for the year totaled \$30,881, a 23% decrease from the prior year, and consisted of 30 scholarships totaling \$30,000 and \$881 of other expenses. The decrease in deductions was primarily the result of expenses incurred during fiscal year 2004 to develop and implement an on-line application process.

A copy of the audit report is available for review in the Office of Auditor of State.

Independent Auditor's Report

To the Members of the Iowa Centennial
Memorial Foundation:

We have audited the accompanying basic financial statements, listed as exhibits in the table of contents of this report, of the Iowa Centennial Memorial Foundation as of and for the year ended May 31, 2005. These financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the fiduciary net assets of the Iowa Centennial Memorial Foundation at May 31, 2005, and the changes in fiduciary net assets for the year then ended in conformity with U.S. generally accepted accounting principles.

In accordance with Government Auditing Standards, we have also issued our report dated June 23, 2005 on our consideration of the Iowa Centennial Memorial Foundation's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, the articles of incorporation and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be considered in assessing the results of our audit.

The Foundation has not presented Management's Discussion and Analysis which introduces the basic financial statements by presenting certain financial information as well as management's analytical insights on information the Governmental Accounting Standards Board has determined is necessary to supplement, although not required to be part of, the basic financial statements.

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Iowa Centennial Memorial Foundation's basic financial statements. We previously audited, in accordance with the standards referred to in the second paragraph of this report, the financial statements for the four years ended May 31, 2004 (which are not presented herein) and expressed unqualified opinions on those financial statements. Other supplementary information included in Schedules 1 through 3 is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in our audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Iowa Centennial Memorial Foundation

Notes to Financial Statements

May 31, 2005

(1) Summary of Significant Accounting Policies

The Iowa Centennial Memorial Foundation, a part of the State of Iowa, was incorporated January 5, 1949. It was established as a result of an executive order transferring the assets of the Iowa Centennial Committee to the Foundation. The funds were originally accumulated by selling an Iowa Centennial fifty cent silver coin for \$2.50 to \$3.00 each. The intention was to use the funds for the observance of the Centennial. However, the coins were received too late to fulfill the original intention. Therefore, a fund was established to recognize and encourage outstanding ability and potential leadership, as well as to encourage and recognize outstanding service of Iowa citizens, as a permanent observance of the Centennial. This is to be accomplished by the use of scholarships, awards and medals and by providing for historical exhibits.

It is the duty of the Governor to serve as president of the Iowa Centennial Memorial Foundation; it is the duty of the Treasurer to serve as treasurer of the Iowa Centennial Memorial Foundation; it is the duty of the Attorney General to serve as legal counsel of the Iowa Centennial Memorial Foundation; and it is the duty of the president of the State Board of Education to serve as secretary of the Iowa Centennial Memorial Foundation. In addition to the above, all former Governors of the state residing or maintaining their legal residence within the state and four citizens of the state who do not hold elective or full-time appointive positions shall administer the Foundation.

Two bound volumes of the history of the Iowa Centennial coin have been prepared. One copy of the history is at the University Library at the State University of Iowa, Iowa City, and the other is in the Archives in the Iowa State Historical Building.

A detailed report of the coins is in the vault of Wells Fargo Bank Iowa, N.A., Des Moines, Iowa, stored with the 873 unsold Centennial coins.

The financial statements of the Foundation have been prepared in conformity with U.S. generally accepted accounting principles as prescribed by the Governmental Accounting Standards Board. The more significant of the Foundation's accounting policies are described below.

A. Reporting Entity

The financial statements include all funds of the Foundation.

B. Measurement Focus, Basis of Accounting and Financial Statement Presentation

The Foundation is accounted for using the economic resources measurement focus and the accrual basis of accounting. Additions are recorded when earned and deductions are recorded when a liability is incurred, regardless of the timing of related cash flows.

In reporting the financial activity of the Foundation, the Foundation applies all applicable GASB pronouncements, as well as the following pronouncements issued on or before November 30, 1989, unless these pronouncements conflict with or contradict GASB pronouncements: Financial Accounting Standards Board Statements and Interpretations, Accounting Principles Board Opinions and Accounting Research Bulletins of the Committee on Accounting Procedure.

The Foundation is a fiduciary fund and is classified as a private purpose trust for financial statement purposes. A private purpose trust is used to report a trust arrangement under which income benefits individuals, private organizations or other governments. The Foundation is used to account for resources which may be expended only to recognize and encourage outstanding ability and potential leadership, as well as to encourage and recognize outstanding service of Iowa citizens, as a permanent observance of the Centennial. This is to be accomplished by the use of scholarships, awards and medals and by providing for historical exhibits.

C. Centennial Memorial Coins

The inventory of Centennial Memorial coins is valued at cost, which is fifty cents each, and represents a total of 873 coins. Three hundred fifty-one coins are currently for sale in commemoration of Iowa Statehood. Five hundred are to be sold in 2046 to pay expenses of celebrating the 200th anniversary of Statehood. Twenty-two are reserved for the use of the Iowa Centennial Memorial Foundation for gifts, awards, etc.

D. Investments

Investments are stated at fair value except for certificates of deposit which are stated at cost.

(2) Cash, Certificates of Deposit and Investments

The Iowa Centennial Memorial Foundation's deposits at May 31, 2005 were entirely covered by federal depository insurance or by the State Sinking Fund in accordance with Chapter 12C of the Code of Iowa. This Chapter provides for additional assessments against the depositories to insure there will be no loss of public funds.

At May 31, 2005, the Foundation had the following investments:

Type	Fair Value	Maturity
Federal National Mortgage Association	<u>\$ 199,437</u>	May 2007

Interest rate risk: The Foundation does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

Credit risk: The Foundation's FNMA investment at May 31, 2005 is rated Aaa by Moody's Investors Service and AAA by Standard & Poor's.

Concentration of credit risk: The Foundation's investment in the Federal National Mortgage Association is 26.7% of the Foundation's total certificates of deposit and investments.

In addition, the Foundation had certificates of deposits of \$548,905.

(3) Net Assets

Article V of the Foundation's Articles of Incorporation states:

This Corporation shall allocate no more than fifty percent of its annual income to unrestricted (expendable) fund balance (net assets) until such time as the assets held by this Corporation have been increased to the value of \$500,000 and it shall allocate no more than seventy-five percent of its annual income to unrestricted (expendable) fund balance (net assets) until the Corporation shall have increased its assets to the value of \$1,000,000 or more. The restrictions contained herein shall not apply when the asset value exceeds \$1,000,000. The unrestricted (expendable) fund balance (net assets) may be used to carry out any and all objects and purposes of the Corporation.

For purposes of allocating its annual income between restricted (nonexpendable) and unrestricted (expendable) fund balance (net assets), the Foundation Board has defined annual income earned to exclude market value changes for securities intended to be held until maturity.

The changes in the net assets are as follows:

	Restricted	
	Nonexpendable	Expendable
Balance June 1, 2004	\$ 717,145	61,435
25% of annual income earned in the year ended May 31, 2005	9,983	-
Net decrease in fair value of investments	(22,163)	-
Balance of net income	-	(932)
Balance May 31, 2005	<u>\$ 704,965</u>	<u>60,503</u>

Independent Auditor's Report on
Internal Control over Financial Reporting and on Compliance and Other Matters
Based on an Audit of Financial Statements Performed in Accordance with
Government Auditing Standards

To the Members of the Iowa Centennial
Memorial Foundation:

We have audited the financial statements of the Iowa Centennial Memorial Foundation as of and for the year ended May 31, 2005, and have issued our report thereon dated June 23, 2005. We conducted our audit in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

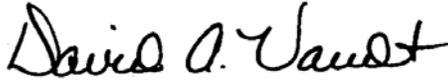

In planning and performing our audit, we considered the Iowa Centennial Memorial Foundation's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

Compliance and Other Matters

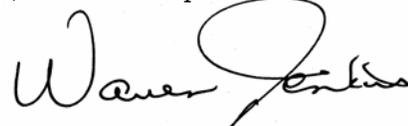

As part of obtaining reasonable assurance about whether the Iowa Centennial Memorial Foundation's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations and the articles of incorporation, non-compliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of non-compliance or other matters that are required to be reported under Government Auditing Standards.

This report, a public record by law, is intended solely for the information and use of the officials of the Iowa Centennial Memorial Foundation and other parties to whom the Iowa Centennial Memorial Foundation may report. This report is not intended to be and should not be used by anyone other than these specified parties.

We would like to acknowledge the many courtesies and assistance extended to us by personnel of the Iowa Centennial Memorial Foundation during the course of our audit. Should you have any questions concerning any of the above matters, we shall be pleased to discuss them with you at your convenience.
