Independent Auditors' Report

To the Members of the
Monona County Sanitary Landfill Agency:

We have audited the accompanying financial statements of Monona County Sanitary Landfill Agency as of and for the year ended June 30, 2006. These financial statements are the responsibility of the Agency's management. Our responsibility is to express an opinion on the financial statement based on our audit.

We conducted our audit in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe our audit provides a reasonable basis for our opinion.

As described in Note 1, these financial statements are prepared on the basis of cash receipts and disbursements, which is a comprehensive basis of accounting other than U.S. generally accepted accounting principles.

In our opinion, the financial statements referred to above presents fairly, in all material respects, the cash basis financial position of Monona County Sanitary Landfill Agency as of and for the year ended June 30, 2006 and the changes in cash basis financial position for the year then ended in conformity with the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we have also issued our report dated September 15, 2006 on our consideration of Monona County Sanitary Landfill Agency's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations and contracts. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance, and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Monona County Sanitary Landfill Agency
Independent Auditors' Report

Management's Discussion and Analysis on pages 8 through 11 is not a required part of the basic financial statements, but is supplementary information required by the Governmental Accounting Standards Board. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the supplementary information. We did not audit the information and express no opinion thereon.

Monona County Sanitary Landfill Agency

MANAGEMENT'S DISCUSSION AND ANALYSIS

Monona County Sanitary Landfill Agency provides this Management's Discussion and Analysis of its financial statements. This narrative overview and analysis of the financial activities of the Monona County Sanitary Landfill Agency is for the fiscal year ended June 30, 2006. We encourage readers to consider this information in conjunction with the Agency's financial statements, which follow.

2006 FINANCIAL HIGHLIGHTS

- ◆ The Agency's operating receipts decreased 1.3%, or approximately \$7,354, from fiscal 2005 to fiscal 2006.
- ◆ The Agency's operating disbursements decreased 1%, or approximately \$3,984, from fiscal 2005 to fiscal 2006.
- ◆ The Agency's net assets increased 13%, or approximately \$91,153, from June 30, 2005 to June 30, 2006.

USING THIS ANNUAL REPORT

The Agency has elected to present its financial statements on a cash basis of accounting. The cash basis of accounting is a basis of accounting other than U.S. generally accepted accounting principles. Basis of accounting refers to when financial events are recorded, such as the timing for recognizing revenues, expenses and the related assets and liabilities. Under the Agency's cash basis of accounting, revenues and expenses and the related assets and liabilities are recorded when they result from cash transactions.

As a result of the use of this cash basis of accounting, certain assets and their related revenues and liabilities and their related expenses are not recorded in these financial statements. Therefore, when reviewing the financial information and discussion within this annual report, the reader should keep in mind the limitations resulting from the use of the cash basis of accounting.

The annual report is presented in a format consistent with the presentation of the Governmental Accounting Standards Board (GASB) Statement No. 34, as applicable to the Agency's cash basis of accounting.

This discussion and analysis are intended to serve as an introduction to the Monona County Sanitary Landfill Agency's basic financial statements. The annual report consists of a series of financial statements and other information, as follows:

- Management's Discussion and Analysis introduces the basic financial statements and provides an analytical overview of the Agency's financial activities.
- The Statement of Net Assets – Cash Basis presents information on the Agency's net assets, including balances restricted for specific purposes and balances unrestricted and available for operating activities.
- The Statement of Cash Receipts, Disbursements and Changes in Net Assets – Cash Basis presents information on the Agency's operating receipts and disbursements, non-operating receipts and disbursements and whether the Agency's financial position has improved or deteriorated as a result of the year's activities.
- The Notes to Financial Statements provide additional information essential to a full understanding of the data provided in the basic financial statements.

FINANCIAL ANALYSIS OF THE AGENCY

Statement of Net Assets – Cash Basis

The Statement of Net Assets – Cash Basis presents the assets and net assets of the Agency at the end of the fiscal year. The Statement of Net Assets – Cash Basis is a point-in-time financial statement. The purpose of this statement is to present a fiscal snapshot of the Agency to the readers of the financial statements.

Over time, readers of the financial statements are able to determine the Agency's financial position by analyzing the increases and decreases in net assets.

Assets and Net Assets		
	June 30,	
	2006	2005
Assets		
Cash & cash equivalents:		
Restricted	\$ 379,182	\$ 378,648
Unrestricted	398,909	308,290
Total assets	<u>\$ 778,091</u>	<u>\$ 686,938</u>
Net assets		
Net assets:		
Restricted	\$ 379,182	\$ 378,648
Unrestricted	398,909	308,290
Total net assets	<u>\$ 778,091</u>	<u>\$ 686,938</u>

Nearly half (49%) of the Agency's net assets are restricted to be used for Closure/Post Closure care of the landfill site and transfer station. State and federal laws and regulations require the Agency to place a final cover on the landfill site and perform certain maintenance and monitoring functions at the landfill site for a minimum of thirty years after closure. The remaining net assets (51%) are unrestricted net assets that can be used to meet the Agency's obligations as they come due. Also included in unrestricted net assets are board designated funds for fixed asset purchases. Restricted net assets increased \$534, or .14%, during the year from interest earned on investments. The Waste Fee Funds were used to purchase recycling equipment and these funds have been used. Unrestricted net assets increased \$90,619, or 29%, during the year.

Statement of Cash Receipts, Disbursements and Changes in Net Assets – Cash Basis

Changes in total net assets as presented on the Statement of Net Assets – Cash Basis are based on the activity presented in the Statement of Cash Receipts, Disbursements and Changes in Net Assets – Cash Basis. The purpose of the statement is to present the receipts received by the Agency and the disbursements paid by the Agency, both operating and non-operating.

Operating receipts are received for gate fees from accepting solid waste and assessments from the members of the Agency as well as sales of recycled materials. Operating disbursements are disbursements paid to operate the landfill. Non-operating receipts and disbursements represent interest on investments, and fixed asset purchases. A summary of cash receipts, disbursements and changes in net assets for the years ended June 30, 2006 and June 30, 2005 is presented as follows:

Changes in Cash Basis Net Assets		
	Year ended June 30,	
	2006	2005
Operating receipts:		
Tipping fees and gate charges	\$ 117,563	\$ 110,368
City contributions	262,070	261,664
County contributions	126,207	126,614
Recycling	35,892	47,255
Miscellaneous	1,475	4,660
Total operating receipts	543,207	550,561
Operating disbursements:		
Salaries and benefits:	170,847	129,461
Operator contract:	-	112,800
Other services	-	-
Solid waste contract	169,046	167,946
Monitoring and inspection fees	7,976	8,670
Site maintenance	1,407	1,042
Site utilities	5,220	4,909
Fuel and oil	11,450	7,393
Legal and accounting	21,549	27,859
Insurance	23,259	25,926
Training and travel	-	-
Closure and Post Closure care costs	-	-
Recycled materials	19,318	19,290
Repairs and supplies	7,325	9,323
Office expense	7,775	8,109
Miscellaneous	4,150	4,010
Total operating disbursements	449,322	445,338
Excess of operating receipts over operating disbursements	93,885	105,223
Non-operating receipts (disbursements):		
Interest on investments	30,720	24,925
Gain on sale of equipment	500	-
Capital expenditures	(33,952)	(185,808)
Net non-operating receipts (disbursements)	(2,732)	(160,883)
Increase (decrease) in net assets – cash basis	91,153	(55,660)
Net assets cash basis, beginning of year	686,938	742,598
Net assets cash basis, end of year	\$ 778,091	\$ 686,938

In fiscal 2006, operating receipts decreased by \$7,354 or 1.3%. The decrease was due, primarily, from tipping fees and sale of recycling material. In fiscal 2006, operating disbursements decreased by \$3,984, or 1%, in fiscal 2006 largely due to increased fuel cost of \$11,450.

ECONOMIC FACTORS

Monona County Sanitary Landfill Agency continued to improve its financial position during the current fiscal year. Some of the realities that may potentially become challenges for the Agency to meet are:

- ◆ Facilities require constant maintenance and upkeep.
- ◆ Equipment has been and will be purchased by the Agency. It will be an on going challenge to maintain equipment and technology at a reasonable cost.

The Agency anticipates the current fiscal year will be much like the last and will maintain a close watch over resources to maintain the Agency's ability to react to unknown issues.

CONTACTING THE AGENCY'S FINANCIAL MANAGEMENT

This financial report is designed to provide our citizens, taxpayers, and customers with a general overview of the Agency's finances and to show the Agency's accountability for the money it receives. If you have questions about this report or need additional financial information, contact Monona County Sanitary Landfill Agency, Turin, Iowa.

Monona County Sanitary Landfill Agency
Notes to Financial Statements
June 30, 2006

NOTE (1) Summary of Significant Accounting Policies

Monona County Sanitary Landfill Agency was formed in 1973 pursuant to the provisions of Chapter 28E of the Code of Iowa. The purpose of the Agency is to develop, operate and maintain landfill and recycling facilities in Monona County on behalf of the units of government which are members of the Agency.

The governing body of the Agency is composed of two representatives from the member cities, two representatives from Monona County, and one representative chosen by a majority of the designated representatives. The member cities are: Blencoe, Castana, Hornick, Mapleton, Moorhead, Onawa, Rodney, Soldier, Smithland, Turin, Ute and Whiting.

A. Reporting Entity

For financial reporting purposes, Monona County Sanitary Landfill Agency has included all funds, organizations, agencies, boards, commissions and authorities. The Agency has also considered all potential component units for which it is financially accountable and other organizations for which the nature and significance of their relationship with the Agency are such that exclusion would cause the Agency's financial statements to be misleading or incomplete. The Governmental Accounting Standards Board has set forth criteria to be considered in determining financial accountability. These criteria include appointing a voting majority of an organization's governing body and (1) the ability of the Agency to impose its will on that organization or (2) the potential for the organization to provide specific benefits to or impose specific financial burdens on the Agency. The Agency has no component units which meet the Governmental Accounting Standards Board criteria.

B. Basis of Presentation

The accounts of the Agency are organized as an Enterprise Fund. Enterprise Funds are utilized to finance and account for the acquisitions, operation and maintenance of government facilities and services supported by user charges.

Enterprise Funds distinguish operating receipts and disbursements from non-operating items. Operating receipts and disbursements generally result from providing services and producing and delivering goods in connection with an Enterprise Fund's principal ongoing operations. All receipts and disbursements not meeting this definition are reported as non-operating receipts and disbursements.

Monona County Sanitary Landfill Agency
Notes to Financial Statements
June 30, 2006

NOTE (1) Summary of Significant Accounting Policies – Continued

C. Basis of Accounting

Monona County Sanitary Landfill Agency maintains its financial records on the basis of cash receipts and disbursements and the financial statements of the Agency are prepared on that basis. The cash basis of accounting does not give effect to accounts receivable, accounts payable and accrued items, including the estimated payables for closure and postclosure care costs. Accordingly, the financial statements do not present the financial position and results of operations of the Agency in accordance with U.S. generally accepted accounting principles.

D. Assets and Net Assets

The following accounting policies are followed in preparing the Statement of Net Assets – Cash Basis.

Restricted Assets and Net Assets – Funds set aside for payment of closure and postclosure care costs and waste fees retained are classified as restricted. Included in unrestricted funds are board designated funds for fixed asset purchases. These designated funds for the year ended June 30, 2006 were \$379,182.

NOTE (2) Cash and Pooled Investments

The Agency's deposits in banks at June 30, 2006 were entirely covered by federal depository insurance or by the State Sinking Fund in accordance with Chapter 12C of the Code of Iowa. This chapter provides for additional assessments against the depositories to insure there will be no loss of public funds.

The Agency is authorized by statute to invest public funds in obligations of the United States government, its agencies and instrumentalities; certificates of deposit or other evidences of deposit at federally insured depository institutions approved by the Agency; prime eligible bankers acceptances; certain high rated commercial paper; perfected repurchase agreements; certain registered open-end management investment companies; certain joint investment trusts; and warrants or improvement certificates of a drainage district.

Interest rate risk

The Agency's investment policy limits the investment of operating funds (funds expected to be expended in the current budget year or within 15 months of receipt) in instruments that mature within 397 days. Funds not identified as operating funds may be invested in investments with maturities longer than 397 days but the maturities shall be consistent with the needs and use of the Agency.

Cash, which consists of cash and certificates of deposit, totaled \$778,091 at June 30, 2006.

Monona County Sanitary Landfill Agency
Notes to Financial Statements
June 30, 2006

NOTE (3) Pension and Retirement Benefits

The Agency's contributes to the Iowa Public Employees Retirement System (IPERS), which is a cost-sharing multiple-employer defined benefit pension plan administered by the State of Iowa. IPERS provides retirement and death benefits which are established by state statute to plan members and beneficiaries. IPERS issues a publicly available financial report that includes financial statements and required supplementary information. The report may be obtained by writing to IPERS, P.O. Box 9117, Des Moines, Iowa, 50306-9117.

Plan members are required to contribute 3.70% of their annual salary and the Agency is required to contribute 5.75% of annual covered payroll. Contribution requirements are established by state statute. The Agency's contributions to IPERS for the year ended June 30, 2006 was \$8,612, equal to the required contribution for the year.

NOTE (4) Closure and Postclosure Care Costs

To comply with federal and state regulations, the Agency is required to complete a monitoring system plan and a closure/postclosure plan to provide funding necessary to effect closure and postclosure, including the proper monitoring and care of the landfill after closure. Environmental Protection Agency (EPA) requirements have established closure and thirty year care requirements for all municipal solid waste landfills that receive waste after October 9, 1993. State governments are primarily responsible for implementation and enforcement of those requirements and have been given flexibility to tailor requirements to accommodate local conditions that exist. The effect of the EPA requirement is to commit landfill owners to perform certain closing functions and postclosure monitoring functions as a condition for the right to operate the landfill in the current period. The EPA requirements provide that when a landfill stops accepting waste, it must be covered with a minimum of twenty-four inches of earth to keep liquid away from the buried waste. Once the landfill is closed, the owner is responsible for maintaining the final cover, monitoring ground water and methane gas, and collecting and treating leachate (the liquid that drains out of waste) for thirty years.

Governmental Accounting Standards Board Statement No. 18 requires landfill owners to estimate total landfill closure and postclosure care costs and recognize a portion of these costs each year based on the percentage of estimated total landfill capacity used that period. Estimated total cost consists of four components: (1) the cost of equipment and facilities used in postclosure monitoring care, (2) the cost of final cover (material and labor), (3) the cost of monitoring the landfill during the postclosure period and (4) the cost of any environmental cleanup required after closure. Estimated total cost is based on the cost to purchase those services and equipment currently and is required to be updated annually for changes due to inflation or deflation, technology, or applicable laws or regulations.

These costs for the Monona County Sanitary Landfill Agency have not been approved by the Iowa Department of Natural Resources and remained unrecognized at June 30, 2006. The Agency has not accepted waste subsequent to October 9, 1993 and as such, is not required to demonstrate financial assurance.

Monona County Sanitary Landfill Agency
Notes to Financial Statements
June 30, 2006

NOTE (5) Risk Management

The Monona County Sanitary Landfill Agency is exposed to various risks of loss related to torts; theft; damages to and destruction of assets; errors and omissions; injuries to employees; and natural disasters. These risks are covered by the purchase of commercial insurance. The Agency assumes liability for any deductibles and claims in excess of coverage limitations. Settled claims from these risks have not exceeded commercial insurance coverage in any of the past three years.

NOTE (6) Solid Waste Hauling Contract

The Agency entered into a contract on October 25, 2002 effective November 1, 2002 for hauling solid waste. Under this contract the contractor will haul the Agency's solid waste from the Agency's transfer station to the contractor's landfill site at Jackson, Nebraska. During the year ended June 30, 2006 the contractor was paid \$169,046. The Agency is obligated to fulfill the terms of this contract through the expiration date of this contract on December 1, 2012.

The fees for this service are based on tons hauled with the rate increasing by 2% cumulative over the first six years of the contract and will then be negotiated for the remainder of the contract. Due to the complexity of the contract pricing, future minimum payments cannot be reasonably determined.

Monona County Sanitary Landfill Agency

**Independent Auditors' Report on Internal Control over Financial Reporting
and on Compliance and Other Matters Based on an Audit of Financial Statements
Performed in Accordance with Governmental Auditing Standards**

September 15, 2006

Independent Auditors' Report on Internal Control over Financial Reporting
and on Compliance and Other Matters Based on an Audit of Financial Statements
Performed in Accordance with Governmental Auditing Standards

To the Members of the
Monona County Sanitary Landfill Agency:

We have audited the financial statement of Monona County Sanitary Landfill Agency as of and for the year ended June 30, 2006, and have issued our report thereon dated September 15, 2006. Our report expressed an unqualified opinion on the financial statement, which was prepared in conformity with an other comprehensive basis of accounting. We conducted our audit in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Monona County Sanitary Landfill Agency's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statement and not to provide assurance on the internal control over financial reporting. However, we noted a certain matter involving the internal control over financial reporting and its operation that we consider to be a reportable condition. Reportable conditions involve matters coming to our attention relating to significant deficiencies in the design or operation of the internal control over financial reporting that, in our judgment, could adversely affect Monona County Sanitary Landfill Agency's ability to record, process, summarize and report financial data consistent with the assertions of management in the financial statements. The reportable condition is described in the accompanying Schedule of Findings.

A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control that might be reportable conditions and, accordingly, would not necessarily disclose all reportable conditions that are also considered to be material weaknesses. However, the reportable condition described in our Schedule of Findings is a material weakness.

Continued...

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Monona County Sanitary Landfill Agency's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations and contracts, non-compliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of non-compliance that are required to be reported under *Government Auditing Standards*. However, we noted certain instances of non-compliance or other matters that are described in the accompanying Schedule of Findings.

Comments involving statutory and other legal matters about the Agency's operations for the year ended June 30, 2006 are based exclusively on knowledge obtained from procedures performed during our audit of the financial statements of the Agency. Since our audit was based on tests and samples, not all transactions that might have had an impact on the comments were necessarily audited. The comments involving statutory and other legal matters are not intended to constitute legal interpretations of those statutes.

This report, a public record by law, is intended solely for the information and use of the members and customers of Monona County Sanitary Landfill Agency and other parties to whom the Agency may report. This report is not intended to be and should not be used by anyone other than these specified parties.

We would like to acknowledge the many courtesies and assistance extended to us by personnel of Monona County Sanitary Landfill Agency during the course of our audit. Should you have any questions concerning any of the above matters, we shall be pleased to discuss them with you at your convenience.

Monona County Sanitary Landfill Agency
Schedule of Findings
Year ended June 30, 2006

Part I: Findings Related to the Financial Statements:

REPORTABLE CONDITIONS:

I-A-06 Segregation of Duties – During our review of internal controls, the existing control activities are evaluated in order to determine incompatible duties, from a control standpoint, are not performed by the same employee. This segregation of duties helps to prevent losses from employee error or dishonesty and, therefore, maximizes the accuracy of the Agency’s financial statements. Generally, one individual has control over receipts and disbursements, including account billings, collecting, depositing, posting, check signing and reconciling, for which no compensating controls exist.

Recommendation – We realize segregation of duties is difficult with a limited number of employees. However, the operating procedures should be reviewed to obtain the maximum internal control possible under the circumstances. Current personnel should be utilized to provide additional control through review of financial transactions and reconciliations. Such reviews should be performed by independent persons to the extent possible and should be evidenced by initials or signature of the reviewer and the date of the review.

Response – Currently, all expenditures are reviewed by the board members and then signed. All receipts from the Landfill are recorded on numbered tickets which are reflected on each deposit slip. The Agency will analyze other procedures and personnel to determine the feasibility of additional control.

Conclusion – Response accepted.

Monona County Sanitary Landfill Agency
Schedule of Findings
Year ended June 30, 2006

Part II: Other Findings Related to Required Statutory Reporting:

- II-1-06 Questionable Disbursements – No disbursements that may not meet the requirements of public purpose as defined in an Attorney General’s opinion dated April 25, 1979 were noted.
- II-2-06 Travel Expense – No disbursements of Agency money for travel expenses of spouses of Agency officials or employees were noted.
- II-3-06 Agency Minutes – No transactions were found that we believe should have been approved in the Agency minutes but were not.
- II-4-06 Deposits and Investments – No instances of non-compliance with the deposit and investment provisions of Chapter 12B and Chapter 12C of the Code of Iowa and the Agency’s investment policy.
- II-5-06 Solid Waste Tonnage Fees Retained – During the year ended June 30, 2006, the Agency used or retained the solid waste fees in accordance with Chapters 455B.310(2) of the Code of Iowa.
- II-6-06 Financial Assurance – The Agency has not accepted waste subsequent to October 9, 1993 and as such, is not required to demonstrate financial assurance.

NEWS RELEASE

Monona County Sanitary Landfill Agency

SCHROER & ASSOCIATES, P.C. today released an audit report on the Monona County Sanitary Landfill Agency.

The Agency had total receipts of \$574,427 for the year ended June 30, 2006, a .2 percent decrease from 2005. The receipts included County and City contributions of \$388,277, tipping fees and gate charges of \$117,563, and interest of \$30,720.

Disbursements for the year totaled \$483,274, a 23 percent decrease from the prior year, and included \$33,952 for capital expenditures, \$169,046 for solid waste contractor fees, and \$170,847 for salaries and benefits.

The significant decrease in disbursements is due primarily to a reduction in capital expenditures.

A copy of the audit report is available for review in the Office of Auditor of State and the Monona County Auditor's office.

October 5, 2006

David Vaudt
Office of State Auditor
State Capitol Building
Des Moines, IA 50319

Dear Sir:

We have enclosed for your records the following information regarding the audit for Monona County Sanitary Landfill Agency for the year ended June 30, 2006.

- 1 copy of the audit report
- 1 copy of the news release
- 1 copy of the number of hours worked
- 1 copy of the invoice

Sincerely,

SCHROER & ASSOCIATES, P.C.

November 14, 2005

To the Members of
Monona County Sanitary Landfill Agency

In connection with the audit of the Monona County Sanitary Landfill Agency's financial statements for the year ending June 30, 2005, we will perform the following non-audit services.

We will prepare a general ledger trial balance for use during the audit. Our preparation of the trial balance will be limited to formatting information in the Monona County Sanitary Landfill's general ledger into a working trial balance. Also as part of the audit we will prepare a draft of your financial statements and related notes. In accordance with *Government Auditing Standards*, you will be required to review and approve those financial statements prior to their issuance and have a responsibility to be in a position in fact and appearance to make an informed judgment on those financial statements. Further you are required to designate a qualified management-level individual to be responsible and accountable for overseeing our services.

We appreciate the opportunity to be of service to Monona County Sanitary Landfill Agency and believe this letter accurately summarizes the additional terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please sign the enclosed copy and return it to us.

Sincerely,

SCHROER & ASSOCIATES, P.C.

Barbara Mass
Shareholder

To the Member of the
Monona County Sanitary Landfill Agency

To Whom It May Concern:

Enclosed is a draft copy of the audit for your review and for information to complete the MD & As (Management, Discussion & Analysis).

We will insert page numbers after we insert the MD & As.

Thanks for your help. Please call me with questions.

Sincerely,

SCHROER & ASSOCIATES, P.C.

Monona County Sanitary Landfill Agency
Turin, IA 51059

To Whom It May Concern:

We have filed the required copy of your audit report with the Office of Auditor of State. A filing fee is required to be paid, based on your final amended budget, according to the following schedule:

<u>Budgeted Expenditures (in millions of dollars)</u>	<u>Fee Amount</u>
Under 1	\$100.00
At least 1, but less than 3	\$175.00
At least 3, but less than 5	\$250.00
At least 5, but less than 10	\$425.00
At least 10, but less than 25	\$625.00
25 and over	\$850.00

You are required to send the appropriate filing fee. The check should be made payable to "Auditor of State" and mailed to Office of Auditor of State, Capitol Building, Des Moines, IA 50319-0004.

If you have any questions, please do not hesitate to call me at 712-322-8734.

Sincerely,

SCHROER & ASSOCIATES, P.C.
