## Independent Auditors' Report

To the Members of  
Lake Improvement Commission

We have audited the accompanying financial statements of the Lake Improvement Commission, as of and for the year ended June 30, 2006. These financial statements are the responsibility of Lake Improvement Commission's management. Our responsibility is to express an opinion on the financial statements based on our audit.

We conducted our audit in accordance with U.S. generally accepted auditing standards and the standards applicable to financial statements contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in note 1, these financial statements were prepared on the basis of cash receipts and disbursements, which is a comprehensive basis of accounting other than U.S. generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the cash basis financial position of the Lake Improvement Commission as of and for the year ended June 30, 2006, and the changes in cash basis financial position for the year then ended in conformity with the basis of accounting described in Note 1.

Continued...

August 29, 2006  
Lake Improvement Commission  
Independent Auditors' Report

In accordance with *Government Auditing Standards*, we have also issued our report dated August 29, 2006, on our consideration of the Lake Improvement Commission's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards*, and should be considered in assessing the results of our audit.

Management's Discussion and Analysis on pages 6 through 9 is not a required part of the basic financial statements, but is supplementary information required by the Governmental Accounting Standards Board. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the supplementary information. However, we did not audit the information and express no opinion thereon.

**LAKE IMPROVEMENT COMMISSION**

# **MANAGEMENT'S DISCUSSION AND ANALYSIS**

The Lake Improvement Commission provides this Management's Discussion and Analysis of its financial statements. This narrative overview and analysis of the financial activities of the Lake Improvement Commission is for the fiscal year ended June 30, 2006. We encourage readers to consider this information in conjunction with the Commission's financial statements.

## **2006 FINANCIAL HIGHLIGHTS**

The Commission's receipts decreased approximately \$269,089, from fiscal 2005 to fiscal 2006.

The Commission's disbursements decreased approximately \$248,784, from fiscal 2005 to fiscal 2006.

The Commission's net assets increased approximately \$384,934, from June 30, 2005 to June 30, 2006.

## **USING THIS ANNUAL REPORT**

The Commission has elected to present its financial statements on a cash basis of accounting. The cash basis of accounting is a basis of accounting other than U.S. generally accepted accounting principles. Basis of accounting refers to when financial events are recorded, such as the timing for recognized revenues, expenses and the related assets and liabilities. Under the Commission's cash basis of accounting, revenues and expenses and the related assets and liabilities are recorded when they result from cash transactions.

As a result of the use of this cash basis of accounting, certain assets and their related revenues and liabilities and their related expenses are not recorded in these financial statements. Therefore, when reviewing the financial information and discussion within this annual report, the reader should keep in mind the limitations resulting from the use of the cash basis of accounting.

The annual report is presented in a format consistent with the presentation of the Governmental Accounting Standards Board (GASB) Statement No. 34, as applicable to the Commission's cash basis of accounting.

This discussion and analysis are intended to serve as an introduction to the Lake Improvement Commission's basic financial statements. The annual report consists of a series of financial statements and other information, as follows:

- Management's Discussion and Analysis introduces the basic financial statements and provides an analytical overview of the Commission's financial activities.
- The Statement of Activities and Net Assets – Cash Basis presents information about the activities of the Commission as a whole and presents an overall view of the Commission's finances.
- The Statement of Cash Receipts, Disbursements and Changes in Net Assets – Cash Basis presents information on the Commission's receipts and disbursements, and whether the Commission's financial position has improved or deteriorated as a result of the year's activities.

- The Notes to Financial Statements provide additional information essential to a full understanding of the data provided in the basic financial statements.

The purpose of the Statement of Cash Receipts, Disbursements and Changes in Cash Balances is to present the receipts received and the disbursements paid by the Commission. A summary of cash receipts, disbursements and changes in cash balances for the years ended June 30, 2006 and 2005 is presented below.

Cash Receipts, Disbursements and Changes in Cash Balances

		Year ended June 30,	
		<u>2006</u>	<u>2005</u>
Receipts			
Interest on investments	\$	15,754	3,330
Intergovernmental		868,227	612,982
Other		131,455	130,035
		<u>1,015,436</u>	<u>746,347</u>
Disbursements			
Equipment operations		192,637	133,509
Equipment repairs		191,431	208,652
Insurance		21,273	28,203
Contractual services		86,165	27,164
Supplies		28,817	13,360
Equipment		0	0
Construction costs-East Spoil		0	262,937
Debt Service:			
Principal Payment		106,097	200,000
Interest Payment		4,082	5,461
		<u>630,502</u>	<u>879,286</u>
Excess (deficiency) of receipts over (under) disbursements		384,934	(132,939)
Other financing sources			
Loan proceeds		<u>0</u>	<u>130,000</u>
Net change in cash balances		384,934	(2,939)
Cash balance, beginning of year		<u>2,026</u>	<u>4,965</u>
Cash balance, end of year	\$	<u><u>386,960</u></u>	<u><u>2,026</u></u>

In fiscal year 2006, receipts increased \$269,089, or 36%. The City saw an increase in the amount of grant funding that led to this increase. In fiscal year 2006, disbursements decreased by \$248,784, or 29%. The decrease was primarily due to the completed construction of the East Spoil Site.

### **FINANCIAL ANALYSIS OF THE COMMISSION**

Net assets serve as a useful indicator of financial position. The Commission's cash balance decreased from a year ago. The analysis that follows focuses on the changes in cash balance.

#### Changes in Cash Basis Net Assets (Expressed in Thousands)

	Year ended June 30,	
	2006	2005
Receipts		
Program receipts:		
Operating grants and contributions	\$ 1,001	\$ 743
General receipts:		
Unrestricted investment earnings	15	3
Loan proceeds	0	130
	1,016	876
 Disbursements		
General operations	631	879
 Increase in cash basis net assets	385	(3)
 Cash basis net assets beginning of year	2	5
 Cash basis net assets end of year	\$ 387	\$ 2

### **LONG-TERM DEBT**

At June 30, 2006, the Commission had no outstanding debt.

### **ECONOMIC FACTORS**

The current condition of the economy in the state continues to be a concern for Commission officials because operations are contingent on the continued support from both the State and Federal Government. Some of the realities that may potentially become challenges for the Commission to meet are:

- Equipment requires constant maintenance and upkeep.

- Increased fuel costs and operational costs associated with the new Booster Pump that is required in order to dredge further distances away from the spoil site.
- Cash flow issues because of the dependence on contributions and timeliness of State and Federal assistance.

The Commission anticipates the current fiscal year will be much like the last and will maintain a close watch over resources to maintain the Commission's ability to react to unknown issues.

### **CONTACTING THE COMMISSION'S FINANCIAL MANAGEMENT**

This financial report is designed to provide our citizens, taxpayers, customers, and creditors with a general overview of the Commission's finances and to show the Commission's accountability for the money it receives. If you have questions about this report or need additional financial information, contact Lake Improvement Commission, City of Storm Lake, Iowa.

**LAKE IMPROVEMENT COMMISSION  
NOTES TO FINANCIAL STATEMENT  
YEAR ENDED JUNE 30, 2006**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Lake Improvement Commission was formed in November, 2002, pursuant to the provisions of Chapter 28E of the Code of Iowa. The purpose of the Commission is to finance and effect a continued dredging of Lake Storm Lake so as to enhance the use of the lake for water recreation, to promote fishing, and to guarantee the continued existence of this natural water resource. The second purpose is to identify effect and promote water quality/watershed projects to improve the water quality of the lake, and minimize the re-accumulation of silt.

Members of the Commission consist of the City of Storm Lake, Iowa, the City of Lakeside, Iowa, Buena Vista County, Iowa, and the Lake Preservation Association for Storm Lake, Inc. The Lake Improvement Commission is financially dependent upon member contributions.

A. Reporting Entity

For financial purposes, Lake Improvement Commission has included all funds, organizations, agencies, boards, commissions and authorities. The Commission has also considered all potential component units for which it is financially accountable, and other organizations for which the nature and significance of their relationship with the Commission are such that exclusion would cause the Commission's financial statements to be misleading or incomplete. The Governmental Accounting Standards Board has set forth criteria to be considered in determining financial accountability. These criteria include appointing a voting majority of an organization's governing body, and (1) the ability of the Commission to impose its will on that organization or (2) the potential for the organization to provide specific benefits to or impose specific financial burdens on the Commission. The Commission has no component units, which meet the Governmental Accounting Standards Board criteria.

B. Basis of Presentation

The accounts of the Commission are organized as a Governmental Fund. Governmental fund activities are supported by intergovernmental revenues and other operating grants. The Commission has a general operating fund. All receipts are accounted for in this fund. From this fund are paid the general operating disbursements, fixed charges and capital improvement costs. All net assets are considered unrestricted.

**LAKE IMPROVEMENT COMMISSION  
NOTES TO FINANCIAL STATEMENT  
YEAR ENDED JUNE 30, 2006**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

C. Basis of Accounting

Lake Improvement Commission maintains its financial records on the basis of cash receipts and disbursements and the financial statements of the Commission are prepared on that basis. The cash basis of accounting does not give effect to accounts receivable, accounts payable and accrued items. Accordingly, the financial statements do not present the financial position and results of operation of the Commission in accordance with U.S. generally accepted accounting principles.

D. Budget Information

Lake Improvement Commission is not legally required to adopt a budget.

NOTE 2 CASH AND INVESTMENTS

The Commission's deposits at June 30, 2006 were entirely covered by federal depository insurance or by the State Sinking Fund in accordance with Chapter 12C of the Code of Iowa. This chapter provides for additional assessments against the depositories to insure there will be no loss of public funds.

The Commission is authorized by statute to invest public funds in obligations of the United States government, its agencies and instrumentalities; certificates of deposit or other evidences of deposit at federally insured depository institutions approved by the Commission; prime eligible bankers acceptances; certain high rated commercial paper; perfected repurchase agreements; certain registered open-end management investment companies; certain joint investment trusts; and warrants or improvement certificates of a drainage district.

The Commission had no investments meeting the disclosure requirements of Governmental Accounting Standards Board Statement No. 3.

The Commission's cash at June 30, 2006, consisting of cash in bank, totaled \$386,960.

NOTE 3 RISK MANAGEMENT

According to the 28E Agreement, the Commission purchases and maintains general liability insurance covering all operations and public officials' liability insurance on behalf of its board of directors.

**LAKE IMPROVEMENT COMMISSION  
NOTES TO FINANCIAL STATEMENT  
YEAR ENDED JUNE 30, 2006**

NOTE 4 OPERATING LEASE AGREEMENT

In April 2003, the Commission entered into an operating lease agreement for the rental of real property. The lease requires annual cash rent of \$200/per acre for a period of six years. The Commission made a lease payment of \$7,438 during the year. Future required minimum lease payments are as follows:

Year Ending June 30,	Amount
2007	\$ 7,438
2008	7,438
	\$ 14,876

Also during the year, the Commission made a one year lease payment of \$15,000 for the rental of real property.

NOTE 5 LINE OF CREDIT

The Commission has a \$500,000 line of credit with a local bank through August 9, 2009. Payments are due in annual installments of \$100,000 including interest at 6.25%. The balance due at June 30, 2006 is \$0. Changes in short term debt for the year are as follows:

Beginning Balance	\$ 106,097
Increases	-
Decreases	(106,097)
Ending Balance	\$ -

Interest paid during the year was \$4,086.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN  
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

August 29, 2006

Independent Auditors' Report on Internal Control over Financial Reporting and on  
Compliance and Other Matters Based on an Audit of Financial Statements Performed in  
Accordance with *Government Auditing Standards*

To the Members of  
Lake Improvement Commission

We have audited the financial statements of the Lake Improvement Commission, as of and for the year ended June 30, 2006, and have issued our report thereon dated August 29, 2006. Our report expressed an unqualified opinion on the financial statements, which were prepared in conformity with an other comprehensive basis of accounting. We conducted our audit in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Lake Improvement Commission's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinions on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the general purpose financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

Continued...

Compliance

As part of obtaining reasonable assurance about whether Lake Improvement Commission's financial statement is free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, non-compliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no material instances of non-compliance that are required to be reported under *Government Auditing Standards*.

Comments involving statutory and other legal matters about the Commission's operations for the year ended June 30, 2006 are based exclusively on knowledge obtained from procedures performed during our audit of the financial statements of the Commission. Since our audit was based on test and samples, not all transactions that might have had an impact on the comments were necessarily audited. The comments involving statutory and other legal matters are not intended to constitute legal interpretations of those statutes.

This report, a public record by law, is intended solely for the information and use of the members of Lake Improvement Commission and other parties to whom the Commission may report. This report is not intended to be and should not be used by anyone other than these specified parties.

We would like to acknowledge the many courtesies and assistance extended to us by personnel of Lake Improvement Commission during the course of our audit. Should you have any questions concerning any of the above matters, we shall be pleased to discuss them with you at your convenience.

**LAKE IMPROVEMENT COMMISSION  
SCHEDULE OF FINDINGS  
YEAR ENDED JUNE 30, 2006**

**FINDINGS RELATED TO THE FINANCIAL STATEMENTS:**

**INSTANCE OF NON-COMPLIANCE:**

No matters were noted.

**REPORTABLE CONDITIONS:**

No comments or recommendations.

**LAKE IMPROVEMENT COMMISSION  
SCHEDULE OF FINDINGS  
YEAR ENDED JUNE 30, 2006**

**OTHER FINDINGS RELATED TO REQUIRED STATUTORY REPORTING:**

- (1) Questionable Disbursements – No disbursements that may not meet the requirements of public purpose as defined in an Attorney General’s opinion dated April 25, 1979 were noted.
- (2) Travel Expense – No disbursements of Commission money for travel expenses of spouses of Commission officials or employees were noted.
- (3) Commission Minutes – No transactions were found that we believe should have been approved in the Commission minutes but were not.
- (4) Deposits and Investments – No instances of non-compliance with the deposit and investment provisions of Chapter 12B and Chapter 12C of the Code of Iowa and the Commission’s investment policy were noted.

# NEWS RELEASE

Schroer & Associates, P.C. released an audit report on the Lake Improvement Commission.

The Commission had total receipts of \$876,347 during the year ended June 30, 2005, which included intergovernmental and other contributions of \$743,017, loan proceeds of \$130,000, and interest of \$3,330.

Disbursements totaled \$630,502 for the year ended June 30, 2006, which included \$0 for construction costs, \$191,431 for equipment repairs and \$110,179 for debt service.

A copy of the audit report is available for review in the Office of Auditor of State and at the Lake Improvement Commission.
