INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Loess Hills Alliance
Council Bluffs, IA

We have audited the accompanying statement of financial position of the Loess Hills Alliance (a nonprofit organization) as of June 30, 2006 and 2005, and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America, and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Loess Hills Alliance as of June 30, 2006 and 2005, and the changes in its nets assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

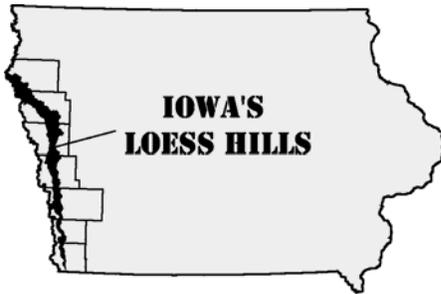

In accordance with *Government Auditing Standards*, we have also issued a report dated October 11, 2006, on our consideration of Loess Hills Alliance's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report

is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Independent Auditors' Report

The management's discussion and analysis and budgetary comparison information on pages 5 through 8 and 16, are not required parts of the basic financial statements but are supplementary information required by the Governmental Accounting Standards Board. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

MANAGEMENT'S DISCUSSION AND ANALYSIS

Management of the Loess Hills Alliance (LHA) provides this Management's Discussion and Analysis of the LHA's annual financial statements. This narrative overview and analysis of the financial activities is for the fiscal year ended June 30, 2006. We encourage readers to consider this information in conjunction with the LHA's financial statements which follow.

2006 Financial Highlights

- LHA state appropriations remained constant at \$200,000 for fiscal year 2006 as compared to fiscal year 2005.
- The LHA's total revenues for fiscal year 2006 increased by 11% as compared to fiscal year 2005, because of additional county support received and grant proceeds from the State of Iowa, Resource Enhancement and Protection.
- The LHA's budget expenditures for fiscal year 2006 were approximately \$22,238 less than anticipated, or 11 % under budget. A portion of the programs and activities approved in each of the committees were unable to be completed within the fiscal year 2006, and were extended into fiscal year 2007. Associated cooperative agreements between agencies and individuals were also extended.
- The LHA's net assets increased by \$71,306, or approximately 21 %, from June 30, 2005 to June 30, 2006.

- The LHA's total liabilities and net assets increased by \$94,181, or approximately 28 %, from June 30, 2005 to June 30, 2006. The increase in the LHA's total liabilities and net assets is due in large part to the continued commitment from the State of Iowa to support the LHA's mission and programs for the Loess Hills for fiscal year 2006.

Using this Annual Report

The annual report consists of a series of financial statements and other information, as follows:

Management's Discussion and Analysis introduces the basic financial statements and provides an analytical overview of the LHA's financial activities.

The basic financial statements consist of a Statement of Financial Position including assets, liabilities, and net assets, a Statement of Activities and Changes in Net Assets, and a Statement of Cash Flows. These statements provide information about the activities of the LHA, on a comparative basis, including resources held by the LHA but restricted for specific purposes by legislation or by the LHA's Board of Directors.

Notes to Financial Statements (pg.) provide additional information essential to a full understanding of the data provided in the basic financial statements.

Reporting the LHA's Financial Activities

The Statement of Financial Position and Statement of Activities and Changes in Net Assets

One of the most important questions regarding the LHA's finances is "Was the LHA monetarily able to attain its goals during the year?" The Statement of Financial Position and the Statement of Activities and Changes in Net Assets report information about the LHA's resources and its activities in a way that helps answer this question. These statements include all assets (restricted and unrestricted) and all liabilities using the accrual basis of accounting which is similar to the accounting used by most private-sector companies. All of the current year's revenues and expenses are taken into account regardless of when cash is received or paid.

These two statements report the LHA's net assets, which is the difference between assets and liabilities, as one way to measure the LHA's financial position. Over time, increases or decreases in the LHA's net assets are one indicator of whether its financial position is improving or deteriorating. Additional factors, such as changes in appropriations and legislation, and reductions in the amount of local matching funds available, are also important in making this determination.

The Statement of Cash Flows

The Statement of Cash Flows reports cash receipts, cash payments, and net changes in cash and cash equivalents resulting from three defined types of programs/activities: economic development grants, natural resource protection grants, and private lands stewardship development projects. It provides answers to such questions as where did cash come from, what was cash used for, and what was the change in cash and cash equivalents during the reporting period.

Financial Analysis of the LHA

As noted earlier, net assets may serve over time as a useful indicator of financial position. The LHA's net assets increased by \$71,306 (21%) from fiscal year 2005 to fiscal year 2006.

All restricted fund resources are available immediately and obligated to the committees' programs as approved each fiscal year. Committee budget obligations approved in each fiscal

year often carryover through two or more fiscal years, affecting total expenditures and net assets in individual reporting years.

The following shows the changes in net assets for the LHA.

The three active committees of the Loess Hills Alliance report activities to the LHA's Board of Directors at quarterly meetings. The funds used for these activities are often leveraged with county and local matching funds and private dollars, to enhance and deliver programs benefiting multiple counties or locals.

Factors Affecting the LHA's Future

The LHA continued to maintain a good financial position during the current fiscal year. However, the condition of the national, state, and local economies will continue to be a concern for the LHA Board of Directors. Some of the realities that may potentially become challenges for the LHA are:

- Ensuring that natural and cultural resource protection and economic development of the Loess Hills remains an important issue in the eyes of federal, state, county, and local governments.
- Reductions in state appropriations.

Contacting the LHA's Financial Management

This financial report is designed to provide federal, state, and county governments, partners, and taxpayers with a general overview of the LHA's finances and to show the LHA's accountability for the money it receives. NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Nature of Activities – The Loess Hills Alliance is a private nonprofit corporation organized under Chapter 504(A), Code of Iowa in 1981. The Organization’s primary focus is to protect special natural and cultural resources while ensuring economic viability and private property rights of the loess soils region of western Iowa.

The Organization is funded primarily through appropriations from state governmental agencies and support from local county governments.

The accompanying financial statements, which include all programs administered by Loess Hills Alliance, have been prepared in conformity with generally accepted accounting principles promulgated by the Governmental Accounting Standards Board (GASB) and other accounting principles appropriate for non-profit associations.

The Organization’s Board of Directors is comprised of three members appointed by the board of supervisors of each county participating in the Alliance and at least one of the appointees shall be a member of the board of supervisors from each county. Seven additional members shall be persons with experience in the fields of environmental affairs, conservation, finance, development, tourism, or related fields, and whom the Loess Hills Development and Conservation Authority shall appoint.

The statements of financial position, activities, and cash flows are all organization-wide financial statements. They report information for all Loess Hills Alliance’s activities, which are in turn all deemed to be governmental activities. The Organization has no proprietary type activities.

Revenue Recognition – Revenues from appropriations, grants and other services are recognized when received or accrued. State appropriations, and interest earned thereon, in excess of related program expenses are recorded as temporarily restricted net assets until those funds are expended.

Income Taxes – The Organization is considered to be an affiliate of a governmental unit, making it exempt from state and federal income taxes under the Internal Revenue Code and, accordingly, no provision has been made for income tax liabilities or expense. The Organization is not considered a private foundation.

Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**LOESS HILLS ALLIANCE
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2006 AND 2005**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Cash Equivalents – For the purpose of the statements of cash flows, the Organization considers all highly liquid debt instruments purchases with maturity of three-months or less to be cash equivalents.

Concentration of Credit Risk – The Organization receives a substantial portion of its revenue from state grants. A significant reduction in the level of government funding would have a major effect on the Organization’s programs and activities.

Cash funds deposited in excess of federally insured limits are protected by the Iowa State Sinking Fund for banks and savings associations, which covers Iowa uninsured public funds.

Fair Value of Financial Instruments – The carrying amounts of cash, prepaids, accounts payable, and accrued expenses approximate their fair values due to the short-term maturities of these financial instruments.

Donor Imposed Restrictions – All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as temporarily restricted or permanently restricted support depending on the nature of the restriction.

Donated Facilities – The value of contributed facilities meeting the requirements for recognition in the financial statements was recorded at market rates. One county is contributing office space for use by the Organization in lieu of a cash contribution.

The market value of rent for this space was determined to be \$3,000 per year and is reported as County Support and as an Executive Committee expense.

Grant Receivable – Grants receivable represents amounts due from the State of Iowa for grants and reimbursement.

Property and Equipment – Equipment consists primarily of office equipment and is recorded at cost. Depreciation is provided on a straight-line basis over the five year estimated lives of the equipment.

NOTE 2 COOPERATIVE AGREEMENT

For 2004, the Organization entered into a cooperative agreement with Golden Hills Resource Conservation and Development, Inc. Under this agreement, Golden Hill Resource Conservation and Development, Inc. agreed to provide management of Loess Hills Alliance funds including bookkeeping services, payroll services, and monthly and annual reporting. No agreement was signed for fiscal year 2006 and 2005, however, there was a verbal understanding to continue with the agreement and such expenses were approved in the budget of Loess Hills Alliance. The Organization expensed \$1,668 and \$3,802 for these services for the years ended June 30, 2006 and 2005, respectively.

NOTE 3 RELATED PARTY TRANSACTION

Loess Hills Alliance received \$200,000 in passed through state support from Loess Hills Development and Conservation Authority for each of the years ended June 30, 2006 and 2005. Loess Hills Alliance is considered an affiliate of this governmental unit. Loess Hills also expensed \$2,000 in administrative support to this Organization for each of the years ended June 30, 2006 and 2005.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON
COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS
PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors
Loess Hills Alliance
Oakland, IA

We have audited the financial statements of Loess Hills Alliance as of and for the year ended June 30, 2006 and 2005, and have issued our report thereon dated October 11, 2006. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control over Financial Reporting

In planning and performing our audit, we considered Loess Hills Alliance's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide an opinion on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

Loess Hills Alliance
Report on Compliance and Other Matters

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Loess Hills Alliance's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information of the Board of Directors, management, federal awarding agencies, and pass-through entities and is not intended to be, and should not be, used by anyone other than these specified parties.

We would like to acknowledge the many courtesies and assistance extended to us by the personnel of Loess Hills Alliance during the course of our audit. Should you have any questions concerning any of the above matters, we shall be pleased to discuss them with you at your convenience.
