## **Detailed Recommendations**

City of Stacyville  
Detailed Recommendations  
For the period July 1, 2012 through June 30, 2013

(A) Segregation of Duties – One important aspect of internal control is the segregation of duties among employees to prevent an individual employee from handling duties which are incompatible. Generally, one individual has control over each of the following areas for the City:

- (1) Cash – handling, reconciling and recording.
- (2) Receipts – opening mail, collecting, depositing, journalizing, reconciling and posting.
- (3) Disbursements – purchasing, invoice processing, check writing, mailing, reconciling and recording.
- (4) Payroll – recordkeeping, preparation and distribution.
- (5) Utilities – billing, collecting, depositing and posting.
- (6) Financial reporting – preparing and reconciling.
- (7) Journal entries – preparing and journalizing.

Recommendation – We realize segregation of duties is difficult with a limited number of employees. However, the City should review its control procedures to obtain the maximum internal control possible under the circumstances utilizing currently available staff, including elected officials. Independent reviews of reconciliations should be evidenced by the signature or initials of the reviewer and the date of the review.

(B) Bank Reconciliations – The bank reconciliations were not reviewed by an independent person. In addition, the list of outstanding checks includes only the amount.

Recommendation – Procedures should be established to have an independent person or a Council member review the reconciliation. The review of the reconciliation should be evidenced by the signature or initials of the reviewer and the date of the review. In addition, the list of outstanding checks should include the check number, amount and date written.

(C) Reconciliation of Utility Billings, Collections and Delinquent Accounts - Utility billings, collections and delinquent accounts were not reconciled throughout the year.

Recommendation – Procedures should be established to reconcile utility billings, collections and delinquent accounts for each billing period. The City Council or other independent person designated by the City Council should review the reconciliations and monitor delinquent accounts.

(D) Deposits and Investments – The City has not adopted a written investment policy as required by Chapter 12B.10B of the Code of Iowa. In addition, a resolution naming official depositories has been adopted by the City Council as required by Chapter 12C.2 of the Code of Iowa. However, the maximum amount which may be kept on deposit in each depository is not stated in the resolution.

City of Stacyville  
Detailed Recommendations  
For the period July 1, 2012 through June 30, 2013

Recommendation – The City should adopt a written investment policy that complies with the provisions of Chapter 12B.10B of the Code of Iowa. In addition, the City Council, by resolution, should approve amounts sufficient to cover anticipated balances at all approved depositories as required by Chapter 12C.2 of the Code of Iowa.

- (E) City Council Minutes Publication – Chapter 372.13(6) of the Code of Iowa requires minutes of all City Council proceedings be published within fifteen days of the meeting. Minutes for two meetings tested were not published within fifteen days. Additionally, minutes from one meeting was not signed.

Recommendation – The City should comply with the Code of Iowa and publish City Council minutes within fifteen days, as required. Additionally, minutes should be signed by the mayor and clerk prior to posting in the minute book.

- (F) Chart of Accounts – The City has not fully implemented the Uniform Chart of Accounts for Iowa City Governments approved by the City Finance Committee (CFC) on September 25, 2002.

Recommendation – To provide better financial information and control, the CFC chart of accounts, or equivalent, should be followed.

- (G) Certified Budget – Disbursements during the year ended June 30, 2013 exceeded the amounts budgeted in the public safety, community and economic development and debt service functions. Chapter 384.20 of the Code of Iowa states, in part, “Public monies may not be expended or encumbered except under an annual or continuing appropriation.”

Recommendation – The budget should have been amended in accordance with Chapter 384.18 of the Code of Iowa before disbursements were allowed to exceed the budget.

- (H) Business Transactions – Business transactions between the City and City officials or employees are detailed as follows:

Name, Title, and Business Connection	Transaction Description	Amount
Roger Brumm, City Council Member, owner of Brumm Auto Electric Repair	Repairs	\$ 95
Harlan Bisbee, City Clerk, owner of Bisbee Income Tax & Accounting	Rent	600
Roger Hemann, City Council Member, owner of Roger Hemann Construction	Repairs	506
Gervin Halbach, City Council Member, owner of G Halbach Lawn Care	Lawn care	525

In accordance with Chapter 362.5(k) of the Code of Iowa, the above transactions do not represent a conflict of interest since total transactions were less than \$2,500 during the fiscal year.

City of Stacyville  
Detailed Recommendations  
For the period July 1, 2012 through June 30, 2013

- (I) Questionable Disbursements – Certain disbursements we believe may not meet the requirements of public purpose as defined in an Attorney General’s opinion dated April 25, 1979 since the public benefits to be derived have not been clearly documented were noted. These disbursements are detailed as follows:

Paid to	Purpose	Amount
Gerb’s Bar & Grill	Meals for employees for washing streets	\$ 76

According to the opinion, it is possible for such disbursements to meet the test of serving a public purpose under certain circumstances, although such items will certainly be subject to a deserved close scrutiny. The line to be drawn between a proper and an improper purpose is very thin.

Recommendation – The City Council should determine and document the public purpose served by these disbursements before authorizing any further payments. If this practice is continued, the City should establish written policies and procedures, including the requirements for proper documentation.

- (J) Supporting Documentation – Supporting documentation was not available to support 2 of 30 disbursements tested in the amounts of \$155 and \$76 from the fire department account.

Recommendation – The City should maintain supporting documentation for all disbursements.

- (K) City Council Disbursement Approval – The City Council approves disbursements for the library and fire department at each monthly meeting after the invoices have been paid.

Recommendation – The City could adopt a written disbursement policy to allow payment of certain bills prior to City Council approval. All City disbursements should be approved by the City Council prior to disbursement with the exception of those specifically allowed by a policy. For those disbursements paid prior to City Council approval, a listing should be provided to the City Council at the next City Council meeting for review and approval.

- (L) Payroll Transactions – We noted no documentation of review and approval of time sheets of employees.

Recommendation – The City should review and initial time sheets of all employees.

- (M) Electronic Check Retention – Chapter 554D.114 of the Code of Iowa allows the City to retain cancelled checks in an electronic format and requires retention in this manner to include an image of both the front and back of each cancelled check. The City does not receive an image of the back of each cancelled check for several bank accounts.

Recommendation – The City should obtain and retain images of both the front and back of cancelled checks as required by Chapter 554D.114 of the Code of Iowa.
