Independent Auditor's Report

To the Honorable Mayor and
Members of the City Council:

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the business type activities, each major fund and the aggregate remaining fund information of City of Britt, Iowa, as of and for the year ended June 30, 2014, and the related notes to the financial statements, which collectively comprise the City's basic financial statements listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the cash basis of accounting described in Note 1. This includes determining the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. This includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the City's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective cash basis financial position of the governmental activities, the business type activities, each major fund and the aggregate remaining fund information of City of Britt as of June 30, 2014, and the respective changes in cash basis financial position for the year then ended in accordance with the basis of accounting described in Note 1.

Basis of Accounting

As described in Note 1, these financial statements were prepared on the basis of cash receipts and disbursements, which is a basis of accounting other than U.S. generally accepted accounting principles. Our opinion is not modified with respect to this matter.

Other Matters

Supplementary and Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise City of Britt's basic financial statements. We previously audited, in accordance with the standards referred to in the third paragraph of this report, the financial statements for the nine years ended June 30, 2013 (which are not presented herein) and expressed unqualified opinions on those financial statements which were prepared on the basis of cash receipts and disbursements. The supplementary information included in Schedules 1 through 4, is presented for purposes of additional analysis and is not a required part of the basic financial statements.

The supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with U.S. generally accepted auditing standards. In our opinion, the supplementary information is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

The other information, Management's Discussion and Analysis and the budgetary comparison information on pages 6 through 12 and 25 through 26 has not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on it.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated October 30, 2014 on our consideration of City of Britt's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering City of Britt's internal control over financial reporting and compliance.

October 30, 2014

Britt, Iowa

MANAGEMENT'S DISCUSSION AND ANALYSIS

The City of Britt provides this Management's Discussion and Analysis of its financial statements. This narrative overview and analysis of the financial activities is for the fiscal year ended June 30, 2014. We encourage readers to consider this information in conjunction with the City's financial statements, which follow.

2014 FINANCIAL HIGHLIGHTS

- Receipts of the City's governmental activities decreased 6.6%, or \$110,550, from fiscal 2013 to fiscal 2014. Bond proceeds decreased \$231,479.
- Disbursements decreased 26.5% or \$578,978 in fiscal 2014 from fiscal 2013. Debt service and capital projects disbursements decreased \$403,227, and \$290,084, respectively.
- The City's total cash basis net position increased 3.2%, or \$88,736 from June 30, 2013 to June 30, 2014. Of this amount, the cash basis net position of the governmental activities increased \$10,245 and the cash basis net position of the business type activities increased by \$78,493.

USING THIS ANNUAL REPORT

The annual report consists of a series of financial statements and other information as follows:

Management's Discussion and Analysis introduces the basic financial statements and provides an analytical overview of the City's financial activities.

The Government-wide Financial Statement consists of a Cash Basis Statement of Activities and Net Position. This statement provides information about the activities of the City as a whole and presents an overall view of the City's finances.

The Fund Financial Statements tell how governmental services were financed in the short term as well as what remains for future spending. Fund financial statements report the City's operations in more detail than the government-wide statement by providing information about the most significant funds.

Notes to financial statements provide additional information essential to a full understanding of the data provided in the basic financial statements.

Other Information further explains and supports the financial statements with a comparison of the City's budget for the year.

Supplementary Information provides detailed information about the nonmajor governmental funds and the City's indebtedness.

Basis of Accounting

The City maintains its financial records on the basis of cash receipts and disbursements and the financial statements of the City are prepared on that basis. The cash basis of accounting does not give effect to accounts receivable, accounts payable and accrued items. Accordingly, the financial statements do not present financial position and results of operations of the funds in accordance with U.S. generally accepted accounting principles. Therefore, when reviewing the financial information and discussion within this annual report, the reader should keep in mind the limitations resulting from the use of the cash basis of accounting.

REPORTING THE CITY'S FINANCIAL ACTIVITIES

Government-wide Financial Statement

One of the most important questions asked about the City's finances is, "Is the City as a whole better off or worse off as a result of the year's activities?" The Statement of Activities and Net Position reports information which helps answer this question.

The Cash Basis Statement of Activities and Net Position presents the City's net position. Over time, increases or decreases in the City's net position may serve as a useful indicator of whether the financial position of the City is improving or deteriorating.

The Cash Basis Statement of Activities and Net Position is divided into two kinds of activities:

- Governmental Activities include public safety, public works, health and social services, culture and recreation, community and economic development, general government, debt service and capital projects. Property tax and state and federal grants finance most of these activities.
- Business Type Activities include the waterworks and the sanitary sewer system. These activities are financed primarily by user charges.

Fund Financial Statements

The City has two kinds of funds:

- 1) Governmental funds account for most of the City's basic services. These focus on how money flows into and out of those funds and the balances at year-end that are available for spending. The governmental funds include: 1) the General Fund, 2) the Special Revenue Funds, such as Road Use Tax and Revolving Loan, 3) the Debt Service Fund and 4) the Capital Projects Fund. The governmental fund financial statements provide a detailed, short-term view of the City's general government operations and the basic services it provides. Governmental fund information helps determine whether there are more or fewer financial resources that can be spent in the near future to finance the City's programs.

The required financial statement for governmental funds is a Statement of Cash Receipts, Disbursements and Changes in Cash Balances.

- 2) Proprietary funds account for the City's Enterprise Funds. Enterprise Funds are used to report business type activities. The City maintains two Enterprise Funds to provide separate information for the Water and Sewer funds, considered to be major funds of the City.

The required financial statement for proprietary funds is a Statement of Cash Receipts, Disbursements and Changes in Cash Balances.

GOVERNMENT-WIDE FINANCIAL ANALYSIS

Net position may serve over time as a useful indicator of financial position. The City's cash balance for governmental activities increased from a year ago, increasing from \$2,099,321 to \$2,109,566. The analysis that follows focuses on the changes in cash basis net position of governmental activities.

	Changes in Cash Basis Net Position of Governmental Activities	
	Year ended June 30,	
	2014	2013
Receipts:		
Program receipts:		
Charges for service	\$172,293	74,879
Operating grants, contributions and restricted interest	266,432	258,052
General receipts:		
Property tax	844,793	813,705
Local option sales tax	171,493	173,672
Unrestricted investment earnings	9,672	11,898
Bond proceeds		231,479
Other general receipts	103,731	115,279
Total receipts	<u>1,568,414</u>	<u>1,678,964</u>

Disbursements:		
Public safety	322,187	280,695
Public works	348,656	365,894
Health and social services	4,950	5,500
Culture and recreation	229,912	208,234
Community and economic development	45,926	75,252
General government	283,279	185,002
Debt service	373,259	776,486
Capital projects		290,084
Total disbursements	<u>1,608,169</u>	<u>2,187,147</u>
Change in cash basis net position before transfers	(39,755)	(508,183)
Transfers, net	<u>50,000</u>	<u> </u>
Change in cash basis net position	10,245	(508,183)
Cash basis net position beginning of year	<u>2,099,321</u>	<u>2,607,504</u>
Cash basis net position end of year	<u>\$2,109,566</u>	<u>2,099,321</u>

The City's total receipts for governmental activities decreased by 6.6% or \$110,550. The total cost of all programs and services decreased by \$578,978 or 26.5%. The significant decrease in disbursements was primarily the result of the completion of capital project in 2013.

The City's property tax receipts for 2014 increased by \$31,088 and bond proceeds decreased \$231,479.

The cost of all governmental activities this year was \$1.61 million compared to \$2.19 million last year. However, as shown in the Statement of Activities and Net Position on page 14, the amount taxpayers ultimately financed for these activities was \$1,169,444, because some of the cost was paid by those directly benefited from the programs (\$172,293) or by other governments and organizations which subsidized certain programs with grants, contributions and restricted interest (\$266,432). Overall, the City's governmental activities receipts, including intergovernmental aid and fees for service, increased in fiscal year 2014 from \$332,931 to \$438,725.

Changes in Cash Basis Net Position of Business Type Activities		
	Year ended June 30,	
	2014	2013
Receipts:		
Program receipts:		
Charges for service:		
Water	\$198,770	181,271
Sewer	204,244	191,713
Total receipts	<u>403,014</u>	<u>372,984</u>
Disbursements:		
Water	151,314	156,187
Sewer	123,207	153,990
Total disbursements	<u>274,521</u>	<u>310,177</u>
Change in cash basis net position before transfers	128,493	62,807
Transfers, net	<u>(50,000)</u>	
Change in cash basis net position	78,493	62,807
Cash basis net position beginning of year	<u>687,724</u>	<u>624,917</u>
Cash basis net position end of year	<u><u>\$766,217</u></u>	<u><u>687,724</u></u>

Total business type activities receipts for the fiscal year were \$403,014 compared to \$372,984 last year. Total disbursements for the fiscal year decreased by 11.5% to a total of \$274,521. The cash balance increased by \$78,493 during the fiscal year compared to an increase of \$62,807 last year.

INDIVIDUAL MAJOR GOVERNMENTAL FUND ANALYSIS

As the City of Britt completed the year, its governmental funds reported a combined fund balance of \$2,109,566, a increase of \$10,245 from last year's total of \$2,099,321. The following are the major reasons for the changes in fund balances of the major funds from the prior year.

- The General Fund cash balance increased \$4,298 from the prior year to \$167,586.
- The Road Use Tax Fund cash balance increased by \$32,090 to \$274,039 during the fiscal year. The City intends to use this money to upgrade the condition of City roads.
- The Local Option Tax Fund cash balance decreased by \$37,451 to \$538,137.
- The Capital Projects Fund cash balance was unchanged during the fiscal year.
- The Debt Service Fund cash balance decreased by \$2,028 to \$887,200 during the fiscal year, including the escrow account for the advance refunding bond of \$853,636.

INDIVIDUAL MAJOR BUSINESS TYPE FUND ANALYSIS

- The Water Fund cash balance increased by \$47,456 to \$337,056 during the fiscal year and will be used to maintain service and repair the water system.
- The Sewer Fund cash balance increased by \$31,037 to \$429,161 during the fiscal year and will be used to maintain service and repair the sewer system.

BUDGETARY HIGHLIGHTS

Over the course of the year, the City amended its budget. The amendment was approved on May 5, 2014 and resulted in an increase in operating disbursements to provide for additional costs in certain City departments.

DEBT ADMINISTRATION

At June 30, 2014, the City had \$3,110,000 in general obligation bonds, compared to \$3,391,000 last year, as shown below.

	Outstanding Debt at Year-End	
	June 30,	
	2014	2013
General obligation bonds and short-term borrowing	\$3,110,000	3,391,000

The Constitution of the State of Iowa limits the amount of general obligation debt cities can issue to 5% of the assessed value of all taxable property within the City's corporate limits. The City's outstanding general obligation debt of \$3,110,000 compared to its constitutional debt limit of \$4,057,516.

ECONOMIC FACTORS AND NEXT YEAR'S BUDGETS AND RATES

The City of Britt's elected and appointed officials and citizens considered many factors when setting the fiscal year 2015 budget, tax rates, and fees that will be charged for various City activities.

These among other economic factors were taken into account when adopting the budget for fiscal year 2015. Amounts available for appropriation in the operating budget are \$2.2 million, an decrease of 1.1% from the final 2014 budget. Budgeted disbursements are expected to increase by approximately \$413,000 over 2014 actual.

If these estimates are realized, the City's budgeted cash balance is expected to decrease approximately \$273,000 by the close of 2015. Actual amounts can and usually do differ from budgeted amounts.

CONTACTING THE CITY'S FINANCIAL MANAGEMENT

This financial report is designed to provide our citizens, taxpayers, customers, and creditors with a general overview of the City's finances and to show the City's accountability for the money it receives. If you have questions about this report or need additional financial information, contact Jeanie Purvis, City Clerk, 170 Main Avenue South, Britt, Iowa.

CITY OF BRITT

Notes to Financial Statements

June 30, 2014

(1) Summary of Significant Accounting Policies

The City of Britt is a political subdivision of the State of Iowa located in Hancock County. It was first incorporated in 1878 and operates under the Home Rule provisions of the Constitution of Iowa. The City operates under the Mayor-Council form of government with the Mayor and Council Members elected on a non-partisan basis. The City provides numerous services to citizens including public safety, public works, health and social services, culture and recreation, community and economic development and general government services. The City of Britt also provides water and sewer utilities for its citizens.

A. Reporting Entity

For financial reporting purposes, City of Britt has included all funds, organizations, agencies, commissions and authorities. The City has also considered all potential component units for which it is financially accountable, and other organizations for which the nature and significance of their relationship with the City are such that exclusion would cause the City's financial statements to be misleading or incomplete. The Governmental Accounting Standards Board has set forth criteria to be considered in determining financial accountability. These criteria include appointing a voting majority of an organization's governing body and (1) the ability of the City to impose its will on that organization or (2) the potential for the organization to provide specific benefits to or impose specific financial burdens on the City. The City of Britt has no component units which meet the Governmental Accounting Standards Board criteria.

Jointly Governed Organizations

The City also participates in several jointly governed organizations that provide goods or services to the citizenry of the City but do not meet the criteria of a joint venture since there is no ongoing financial interest or responsibility by the participating governments. City officials are members of the following boards and commissions: Hancock County Assessor's Conference Board and Hancock County Development Commission, Hancock County Disaster/911 and Hancock County Task Force.

B. Basis of Presentation

Government-wide Financial Statements – The Cash Basis Statement of Activities and Net Position reports information on all of the nonfiduciary activities of the City. For the most part, the effect of interfund activity has been removed from this statement. Governmental activities, which are supported by tax and intergovernmental revenues, are reported separately from business type activities, which rely to a significant extent on fees and charges for services.

The Cash Basis Statement of Activities and Net Position presents the City's nonfiduciary net position. Net position is reported in the following categories/components:

Nonexpendable restricted net position are subject to externally imposed stipulations which require the cash balance to be maintained permanently by the City, including the City's Permanent Fund.

Expendable restricted net positions result when constraints placed on the use of cash balances are either externally imposed or imposed by law through constitutional provisions or enabling legislation.

CITY OF BRITT

Notes to Financial Statements (continued)

June 30, 2014

Unrestricted net position consists of cash balances not meeting the definition of the preceding categories. Unrestricted net position often have constraints on cash balances imposed by management which can be removed or modified.

The Cash Basis Statement of Activities and Net Position demonstrates the degree to which the direct disbursements of a given function are offset by program receipts. Direct disbursements are those clearly identifiable with a specific function. Program receipts include 1) charges to customers or applicants who purchase, use or directly benefit from goods, services or privileges provided by a given function and 2) grants, contributions and interest on investments restricted to meeting the operational or capital requirements of a particular function. Property tax and other items not properly included among program receipts are reported instead as general receipts.

Fund Financial Statements - Separate financial statements are provided for governmental funds and proprietary funds. Major individual governmental funds and major individual enterprise funds are reported as separate columns in the fund financial statements. All remaining governmental funds are aggregated and reported as nonmajor governmental funds.

The City reports the following major governmental funds:

The General Fund is the general operating fund of the City. All general tax receipts and other receipts not allocated by law or contractual agreement to some other fund are accounted for in this fund. From the fund are paid the general operating disbursements, the fixed charges and the capital improvement costs that are not paid from other funds.

Special Revenue:

The Local Option Tax Fund is used to account for local option sales tax collected.

The Road Use Tax Fund is used to account for the road use tax allocation from the State of Iowa to be used for road construction and maintenance.

The Debt Service Fund is utilized to account for property tax and other receipts to be used for the payment of interest and principal on the City's general long-term debt.

The Capital Projects Fund is used to account for all resources used in the acquisition and construction of capital facilities.

The City reports the following major proprietary funds:

The Enterprise, Water Fund accounts for the operation and maintenance of the City's water system.

The Enterprise, Sewer Fund accounts for the operation and maintenance of the City's wastewater treatment and sanitary sewer system.

CITY OF BRITT

Notes to Financial Statements (continued)

C. Measurement Focus and Basis of Accounting

The City of Britt maintains its financial records on the basis of cash receipts and disbursements and the financial statements of the City are prepared on that basis. The cash basis of accounting does not give effect to accounts receivable, accounts payable and accrued items. Accordingly, the financial statements do not present financial position and results of operations of the funds in accordance with U.S. generally accepted accounting principles.

Under the terms of grant agreements, the City funds certain programs by a combination of specific cost-reimbursement grants, categorical block grants and general receipts. Thus, when program disbursements are paid, there are both restricted and unrestricted cash basis net assets available to finance the program. It is the City's policy to first apply cost-reimbursement grant resources to such programs, followed by categorical block grants and then by general receipts.

When a disbursement in governmental funds can be paid using either restricted or unrestricted resources, the City's policy is generally to first apply the disbursement toward restricted fund balance and then to less-restrictive classifications-committed, assigned and then unassigned fund balances.

Proprietary funds distinguish operating receipts and disbursements from non-operating items. Operating receipts and disbursements generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. All receipts and disbursements not meeting this definition are reported as non-operating receipts and disbursements.

D. Governmental Cash Basis Fund Balances:

In the governmental fund financial statements, cash basis fund balances are classified as follows:

Nonspendable – Amounts which cannot be spent because they are legally or contractually required to be maintained intact.

Restricted – Amounts restricted to specific purposes when constraints placed on the use of the resources are either externally imposed by creditors, grantors, or state or federal laws or imposed by law through constitutional provisions or enabling legislation.

Assigned – Amounts the Council intends to use for specific purposes

Unassigned – All amounts not included in the preceding classifications.

CITY OF BRITT

E. Budgets and Budgetary Accounting

The budgetary comparison and related disclosures are reported as Other Information.

(2) Cash and Pooled Investments

The City's deposits in banks at June 30, 2014 were entirely covered by federal depository insurance or by the State Sinking Fund in accordance with Chapter 12C of the Code of Iowa. This chapter provides for additional assessments against the depositories to insure there will be no loss of public funds.

The City is authorized by statute to invest public funds in obligations of the United States government, its agencies and instrumentalities; certificates of deposit or other evidences of deposit at federally insured depository institutions approved by the City Council; prime eligible bankers acceptances; certain high rated commercial paper; perfected repurchase agreements; certain registered open-end management investment companies; certain joint investment trusts; and warrants or improvement certificates of a drainage district.

At June 30, 2014 the City had investments in U.S. Government Obligations with a carrying amount and fair market value of \$853,636.

Interest rate risk-The City's investment policy limits the investment of operating funds (funds expected to be expended in the current budget year or within 15 months of receipt) to instruments that mature within 397 days. Funds not identified as operating funds may be invested in investments with maturities longer than 397 days, but the maturities shall be consistent with the needs and use of the City.

(3) Bonds Payable

Annual debt service requirements to maturity for general obligation indebtedness is as follows:

Year Ending June 30,	General Obligation Bonds		Total	
	Principal	Interest	Principal	Interest
2015	\$ 287,000	84,941	287,000	84,941
2016	412,000	78,619	412,000	78,619
2017	427,000	70,325	427,000	70,325
2018	333,000	61,054	333,000	61,054
2019	338,000	52,023	338,000	52,023
2020-2024	1,313,000	105,844	1,313,000	105,844
	<u>\$ 3,110,000</u>	<u>452,806</u>	<u>3,110,000</u>	<u>452,806</u>

CITY OF BRITT

Notes to Financial Statements (continued)

June 30, 2014

General Obligation Refunding Bonds

On May 22, 2013, the City issued \$1,290,000 of general obligation refunding bonds for the crossover advance refunding of \$380,000 of general obligation capital loan, dated March 15, 2007 and \$845,000 of general obligation aquatic center bonds, series 2008, dated August 1, 2008. The City entered into an escrow agreement whereby the proceeds from the general obligation refunding bonds were converted into U.S. government securities. These securities were placed in an escrow account for the express purpose of paying the interest on the general obligation refunding bonds as due until June 1, 2015, at which time the refunded general obligation aquatic center bonds, series 2008, of \$845,000 become callable. After the principal and interest on all of the outstanding notes have been paid, any remaining funds in the escrow account, together with any interest thereon, shall be returned to the City. The transactions and balances of the escrow account are recorded by the City since the refunded debt is not considered extinguished. The March 15, 2007 general obligation bonds were called June 1, 2013.

The refunding resulted in an economic gain of \$64,817.

(4) Pension and Retirement Benefits

The City contributes to the Iowa Public Employees Retirement System (IPERS) which is a cost-sharing multiple-employer defined benefit pension plan administered by the State of Iowa. IPERS provides retirement and death benefits which are established by state statute to plan members and beneficiaries. IPERS issues a publicly available financial report that includes financial statements and required supplementary information. The report may be obtained by writing to IPERS, P.O. Box 9117, Des Moines, Iowa, 50306-9117.

Most regular plan members are required to contribute 5.95% of their annual covered salary and the City is required to contribute 8.93% of covered salary. Certain employees in special risk occupations and the City contribute an actuarially determined contribution rate. Contribution requirements are established by state statute. The City's contribution to IPERS for the years ended June 30, 2014, 2013 and 2012 were \$37,981, \$37,195 and \$32,958 respectively, equal to the required contribution for each year.

(5) Compensated Absences

City employees accumulate a limited amount of earned but unused vacation and comp time hours for subsequent use or for payment upon termination, retirement or death. Sick leave hours are accumulated for subsequent use but are not paid upon termination, retirement, or death. These accumulations are not recognized as disbursements by the City until used or paid. The City's approximate liability for earned vacation and comp time termination payments payable to employees at June 30, 2014, primarily relating to the General Fund, is as follows:

<u>Type of Benefit</u>	<u>Amount June 30, 2014</u>
Vacation and Comp Time	\$ <u>28,235</u>

This liability has been computed based on rates of pay as of June 30, 2014.

CITY OF BRITT

Notes to Financial Statements (continued)

June 30, 2014

(6) Related Party Transactions

No transactions between the City and City officials occurred during the year ended June 30, 2014.

(7) Risk Management

The City is a member in the Iowa Communities Assurance Pool, as allowed by Chapter 670.7 of the Code of Iowa. The Iowa Communities Assurance Pool (Pool) is a local government risk-sharing pool whose 700 members include various governmental entities throughout the State of Iowa. The Pool was formed in August 1986 for the purpose of managing and funding third-party liability claims against its members. The Pool provides coverage and protection in the following categories: general liability, automobile liability, automobile physical damage, public officials liability, police professional liability, property, inland marine, and boiler/machinery. There have been no reductions in insurance coverage from prior years.

Each member's annual casualty contributions to the Pool fund current operations and provide capital. Annual operating contributions are those amounts necessary to fund, on a cash basis, the Pool's general and administrative expenses, claims, claims expenses and reinsurance expenses due and payable in the current year, plus all or any portion of any deficiency in capital. Capital contributions are made during the first six years of membership and are maintained to equal 300 percent of the total current members' basis rates or to comply with the requirements of any applicable regulatory authority having jurisdiction over the Pool.

The Pool also provides property coverage. Members who elect such coverage make annual operating contributions which are necessary to fund, on a cash basis, the Pool's general and administrative expenses and reinsurance premiums, all of which are due and payable in the current year, plus all or any portion of any deficiency in capital. Any year-end operating surplus is transferred to capital. Deficiencies in operations are offset by transfers from capital and, if insufficient, by the subsequent year's member contributions.

The City's property and casualty contributions to the risk pool are recorded as disbursements from its operating funds at the time of payment to the risk pool. The City's annual contributions to the Pool for the year ended June 30, 2014 were \$44,818.

The Pool uses reinsurance and excess risk-sharing agreements to reduce its exposure to large losses. The Pool retains general, automobile, police professional, and public officials' liability risks up to \$350,000 per claim. Claims exceeding \$350,000 are reinsured in an amount not to exceed \$2,650,000 per claim. For members requiring specific coverage from \$3,000,000 to \$15,000,000, such excess coverage is also reinsured. Property and automobile physical damage risks are retained by the Pool up to \$250,000 each occurrence, each location, with excess coverage reinsured by the Lexington Insurance Company.

The Pool's intergovernmental contract with its members provides that in the event a casualty claim or series of claims exceeds the amount of risk-sharing protection provided by the member's risk-sharing certificate, or in the event that a series of casualty claims exhausts total members' equity plus any reinsurance and any excess risk-sharing recoveries, then payment of such claims shall be the obligation of the respective individual member. As of June 30, 2014, settled claims have not exceeded the risk pool or reinsurance company coverage since the Pool's inception.

CITY OF BRITT

Notes to Financial Statements (continued)

June 30, 2014

Members agree to continue membership in the Pool for the period of not less than one full year. After such period, a member who has given 60 days' prior written notice may withdraw from the Pool. Upon withdrawal, payments for all casualty claims and claims expenses become the sole responsibility of the withdrawing member, regardless of whether a claim was incurred or reported prior to the member's withdrawal. Members withdrawing within the first six years of membership may receive a partial refund of their casualty capital contributions. If a member withdraws after the sixth year, the member is refunded 100 percent of its casualty capital contributions. However, the refund is reduced by the amount of capital distributions previously received by the withdrawing member and an amount equal to the annual casualty operating contribution which the withdrawing member would have made for the one-year period following withdrawal.

The City also carries commercial insurance purchased from other insurers for coverage associated with fidelity bonding. The City assumes liability for any deductibles, and claims in excess of coverage limitations. Settled claims resulting from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years.

(8) Other Postemployment Benefits (OPEB)

Plan Description – The City operates a single-employer retiree benefit plan which provides medical/prescription drug and dental benefits for retirees and their spouses. There are 8 active members in the plan. Participants must be age 55 or older at retirement.

The medical/prescription drug benefits are provided through a fully-insured plan with Principal. Retirees under age 65 pay the same premium for the medical/prescription drug benefits as active employees. The dental benefits are provided through a fully-insured plan with Delta Dental. Retirees pay the same premium for the dental benefits as active employees.

Funding Policy – The contribution requirements of plan members are established and may be amended by the City. The City currently finances the retiree benefit plan on pay-as-you-go basis. The most recent active member monthly premiums for the City and plan members are \$386.82 for single coverage for medical/prescription drug benefits and \$37.17 for single coverage and \$127.97 for family coverage for dental benefits. The same monthly premiums apply to retirees. For the year ended June 30, 2014 the city contributed \$40,533 to the plan.

(9) Prospective Accounting Change

The Governmental Accounting Standards Board has issued Statement No. 68, Accounting and Financial Reporting for Pensions – an amendment of GASB No.27. This statement will be implemented for the fiscal year ending June 30, 2015. The revised requirements establish new financial reporting requirements for state and local governments which provide their employees with pension benefits, including additional note disclosures and required supplementary information.

City of Britt

Notes to Other Information – Budgetary Reporting

June 30, 2014

The budgetary comparison is presented in accordance with Governmental Accounting Standards Board Statement No. 41 for governments with significant budgetary perspective differences resulting from not being able to present budgetary comparisons for the General Fund and each major Special Revenue Fund.

In accordance with the Code of Iowa, the City Council annually adopts a budget on the cash basis following required public notice and hearing for all funds except Internal Service Funds. The annual budget may be amended during the year utilizing similar statutorily prescribed procedures.

Formal and legal budgetary control is based upon nine major classes of disbursements known as functions, not by fund or fund type. These nine functions are: public safety, public works, health and social services, culture and recreation, community and economic development, general government, debt service, capital projects and business type activities. Function disbursements required to be budgeted include disbursements for the General Fund, Special Revenue Funds, Debt Service Fund, Capital Projects Funds and Enterprise Funds. Although the budget document presents function disbursements by fund, the legal level of control is at the aggregated function level, not by fund. During the year, one budget amendment increased budget disbursements by \$220,000. The budget amendment is reflected in the final budgeted amounts.

Independent Auditor's Report on Internal Control
over Financial Reporting and on Compliance and Other Matters
Based on an Audit of Financial Statements Performed in Accordance
with Government Auditing Standards

To the Honorable Mayor and
Members of the City Council:

We have audited in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in the Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business type activities, each major fund and the aggregate remaining fund information of City of Britt, Iowa, as of and for the year ended June 30, 2014, and the related notes to financial statements, which collectively comprise the City's basic financial statements, and have issued our report thereon dated October 30, 2014. Our report expressed unmodified opinions on the financial statements which were prepared on the basis of cash receipts and disbursements, a basis of accounting other than U.S. generally accepted accounting principles.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the City of Britt's internal control over financial reporting to determine the audit procedures appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City of Britt's internal control. Accordingly, we do not express an opinion on the effectiveness of the City of Britt's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be significant deficiencies or material weaknesses and, therefore, significant deficiencies or material weaknesses may exist that were not identified. However, as described in the accompanying Schedule of Findings, we identified deficiencies in internal control we consider to be material weaknesses.

A deficiency in internal control exists when the design or operation of the control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility a material misstatement of City of Britt's financial statements will not be prevented or detected and corrected on a timely basis. We consider the deficiencies described in Part I of the accompanying Schedule of Findings as items I-A-14 and I-B-14 to be material weaknesses.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City of Britt's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, non-compliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of non-compliance or other matters that are required to be reported under Government Auditing Standards. However, we noted certain immaterial instances of non-compliance or other matters which are described in Part II of the accompanying Schedule of Findings.

Comments involving statutory and other legal matters about the City's operations for the year ended June 30, 2014 are based exclusively on knowledge obtained from procedures performed during our audit of the financial statements of the City. Since our audit was based on tests and samples, not all transactions that might have had an impact on the comments were necessarily audited. The comments involving statutory and other legal matters are not intended to constitute legal interpretations of those statutes.

City of Britt's Responses to Findings

City of Britt's responses to findings identified in our audit are described in the accompanying Schedule of Findings. City of Britt's responses were not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion of them.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing and not to provide an opinion on the effectiveness of the City's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the City's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

We would like to acknowledge the many courtesies and assistance extended to us by personnel of the City of Britt during the course of our audit. Should you have any questions concerning any of the above matters, we shall be pleased to discuss them with you at your convenience.

City of Britt

Schedule of Findings

Year ended June 30, 2014

Part I: Findings Related to the Financial Statements:

Internal Control Deficiencies:

I-A-14 Segregation of Duties - One important aspect of internal accounting control is the segregation of duties among employees to prevent an individual employee from handling duties which are incompatible. The areas of cash receipts, cash disbursements, investments, and payroll under ideal conditions would be segregated.

Recommendation - We realize that with a limited number of employees segregation of duties is difficult. However, the City should review its operating procedures to obtain the maximum internal control possible under the circumstances.

Response - We will investigate this.

Conclusion - Response acknowledged. The City should segregate duties to the extent possible with existing personnel and utilize administrative personnel to provide additional control through review of financial transactions and reports.

I-B-14 Preparation of Financial Statements – The City does not have an internal control system designed to provide for the preparation of the financial statements on the basis of cash receipts and disbursements, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Therefore, as auditors, we were requested to draft the financial statements and accompanying notes to the financial statements. This circumstance is not unusual for a governmental entity similar in population to the City of Britt. It is the responsibility of management and those charged with governance to make the decision whether to accept the degree of risk associated with this condition because of cost or other considerations.

Recommendation – We realize that obtaining the expertise necessary to prepare the financial statements, including all necessary disclosures, can be considered costly and ineffective. However, the City’s management and those charged with governance should decide whether to accept the degree of risk associated with this condition because of cost or other considerations.

Response – The city will continue to review and monitor procedures currently in place and evaluate the risks to be accepted in preparation of the financial statements. Management fees that committing the resources necessary to current on reporting requirements would lack benefit in relation to the cost.

Conclusion - Response accepted.

Instances of Non-compliance:

No matters were noted.

City of Britt

Schedule of Findings

Year ended June 30, 2014

Part II: Other Findings Related to Statutory Reporting:

II-A-14 Certified Budget – Disbursements during the year ended June 30, 2014 did not exceed the amounts budgeted.

II-B-14 Questionable Disbursements - We noted no disbursements that may not meet the requirements of public purpose as defined in an Attorney General's opinion dated April 25, 1979.

II-C-14 Travel Expense - No disbursements of City money for travel expenses of spouses of City officials or employees were noted.

II-D-14 Business Transactions - No transactions between the City and City officials were noted.

II-E-14 Bond Coverage - Surety bond coverage of City officials and employees is in accordance with statutory provisions. The amount of coverage should be reviewed annually to insure that the coverage is adequate for current operations.

II-F-14 Council Minutes - No transactions were found that we believe should have been approved in the Council minutes but were not.

Although minutes of City Council proceedings were published, they were not published within fifteen days as required by Chapter 372.13(6) of the Code of Iowa.

Recommendation – The City should comply with Chapter 21 of the Code of Iowa and should publish minutes as required.

Response – We will publish minutes as required.

Conclusion - Response accepted.

II-G-14 Deposits and Investments - We noted no instances of noncompliance with the deposit and investment provisions of Chapter 12B and 12C of the Code of Iowa and the City's investment policy.

II-H-14 Urban Renewal Annual Report – The urban renewal annual report was properly approved and certified to the Iowa Department of Management on or before December 1 and no exceptions were noted.

II-I-14 Delinquent Utility Accounts – At June 30, 2014 an employee and a council member had a delinquent utility account.

Recommendation – We recommend that the City emphasizes to employees and council members that they are setting an example to the community by their actions.

Response – We will encourage employees and council members to pay their utility bills by their due date.

Conclusion – Response accepted.
