### Independent Accountant's Report on Applying Agreed-Upon Procedures

To the Honorable Mayor  
and Members of City Council:

We have performed an agreed-upon procedures engagement with the City of Macksburg pursuant to Chapter 11.6 of the Code of Iowa enacted by the Iowa Legislature to provide certain minimum oversight of Iowa Cities. Accordingly, we have applied certain tests and procedures to selected accounting records and related information of the City of Macksburg for the period July 1, 2013 through June 30, 2014. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and the standards for attestation engagements contained in Government Auditing Standards, issued by the Comptroller General of the United States.

The procedures we performed are summarized as follows:

1. We reviewed selected City Council meeting minutes for compliance with Chapters 21, 372.13(6) and 380 of the Code of Iowa.
2. We reviewed the City's internal controls to determine if proper control procedures are in place and incompatible duties, from a control standpoint, are not performed by the same employee.
3. We reviewed security bond coverage for compliance with Chapter 64 of the Code of Iowa.
4. We obtained and reviewed the City Clerk's financial reports and selected bank reconciliations to determine whether the bank balances properly reconciled to the general ledger account balances and monthly financial reports provided to the City Council.
5. We reviewed City funds for consistency with the City Finance Committee's recommended Uniform Chart of Accounts (COA) and to determine required funds and fund balances are properly maintained and accurately accounted for.
6. We reviewed the City's fiscal year 2013 Annual Financial Report (AFR) to determine whether it was completed and accurately reflects the City's financial information.
7. We reviewed investments to determine compliance with Chapter 12B of the Code of Iowa.
8. We reviewed compliance with Chapters 12C.2, 12B.10B and 556.1(12) of the Code of Iowa pertaining to required depository resolutions, investment policy and reporting of unclaimed property to the State of Iowa.

10. We reviewed and tested selected disbursements for proper approval, adequate supporting documentation, accurate accounting and consistency with the recommended COA and compliance with the public purpose criteria established by Article III, Section 31 of the Constitution of the State of Iowa.
11. We reviewed and tested selected payroll and related transactions for propriety, proper authorization and accurate accounting.
12. We reviewed the annual certified budget for proper authorization, certification and timely amendment.

Based on the performance of the procedures described above, we identified various recommendations for the City. Our recommendations are described in the Detailed Recommendations section of this report. CITY OF MACKSBURG  
DETAILED RECOMMENDATIONS  
For the period July 1, 2013 through June 30, 2014

(A) Segregation of Duties – One important aspect of internal control is the segregation of duties among employees to prevent an individual employee from handling duties which are incompatible. Generally, one individual has control over each of the following areas for the City:

1. Cash – handling, reconciling and recording.
2. Receipts – opening mail, collecting, depositing, journalizing, reconciling and posting.
3. Disbursements – purchasing, invoice processing, check writing, mailing, reconciling and recording.
4. Payroll – recordkeeping, preparation and distribution.
5. Utilities – billing, collecting, depositing and posting.
6. Financial reporting – preparing and reconciling.
7. Journal entries – preparing and journalizing.

Recommendation – We realize segregation of duties is difficult with a limited number of employees. However, the City should review its control procedures to obtain the maximum internal control possible under the circumstances utilizing currently available staff, including elected officials. Independent reviews of reconciliations should be evidenced by the signature or initials of the reviewer and the date of the review.

(B) City Council Minutes – The following were identified:

- Minutes for the City Council meetings were not signed as required by Chapter 380.7 of the Code of Iowa.
- Although minutes of City Council proceedings were posted, the City did not post a summary of receipts or total disbursements by fund as required by Chapter 372.13(6) of the Code of Iowa.

Recommendation – The City should comply with Chapter 372.13(6) and Chapter 380.7 of the Code of Iowa. The City should ensure the minutes are signed and that the minutes posted include a summary of receipts and total disbursements by fund, as required.

(C) Investment Policy – The City has not adopted a written investment policy as required by Chapter 12B.10B of the Code of Iowa.

Recommendation – The City should adopt a written investment policy that complies with the provisions of Chapter 12B.10B of the Code of Iowa.

DETAILED RECOMMENDATIONS  
For the period July 1, 2013 through June 30, 2014

- (D) Official Depositories – A resolution naming official depositories has not been adopted by the City Council as required by Chapter 12C.2 of the Code of Iowa.

Recommendation – A resolution in amounts sufficient to cover anticipated balances at all approved depositories should be adopted by the City Council as required.

- (E) Annual Financial Report – Chapter 384.22 of the Code of Iowa requires the City’s Annual Financial Report contain a “summary for the preceding fiscal year of all collections and receipts, all accounts due the city, and all expenditures...” The City’s Annual Financial Report reported beginning and ending fund balances that do not agree with the City’s records.

Recommendation – The City should ensure future Annual Financial Reports agree with the City’s records.

- (F) Electronic Check Retention – Chapter 554D.114 of the Code of Iowa allows the City to retain cancelled checks in an electronic format and requires retention in this manner to include an image of both the front and back of each cancelled check. The City does not receive an image of the back of each cancelled check for its bank accounts.

Recommendation – The City should obtain and retain images of both the front and back of cancelled checks as required by Chapter 554D.114 of the Code of Iowa.

- (G) Certified Budget – Disbursements during the year ended June 30, 2014 exceeded the amounts budgeted in the public works, culture and recreation, and general government functions. Chapter 384.20 of the Code of Iowa states, in part, “Public monies may not be expended or encumbered except under an annual or continuing appropriation.”

Recommendation – The budget should have been amended in accordance with Chapter 384.18 of the Code of Iowa before disbursements were allowed to exceed the budget.

For the period July 1, 2013 through June 30, 2014

(H) Payroll – Payroll taxes are not being calculated properly and deducted from the employee’s paychecks. However, the IRS Form 944 was filed properly and timely.

Also the Mayor and City Council members are being treated as independent contractors, instead of through payroll as employees.

Recommendation – The City should calculate each employee’s payroll accurately and in compliance with the Internal Revenue Service. In addition, the City should ensure that the Mayor and City Council members are treated as employees and paid through payroll, with all applicable taxes withheld.
