Independent Accountant's Report on Applying Agreed-Upon Procedures

To the Honorable Mayor
and Members of the City Council:

We have performed the procedures enumerated below which were established pursuant to Chapter 11.6 of the Code of Iowa enacted by the Iowa Legislature to provide oversight of certain Iowa cities. Accordingly, we have applied certain tests and procedures to selected accounting records and related information of the City of Kingsley for the period July 1, 2014 through June 30, 2015. The City of Kingsley's management, which agreed to the performance of the procedures performed, is responsible for the City's records.

This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and the standards for attestation engagements contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. The sufficiency of these procedures is solely the responsibility of those parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

The procedures we performed are summarized as follows:

1. We reviewed selected City Council meeting minutes for compliance with Chapters 21, 372.13(6) and 380 of the Code of Iowa.
2. We reviewed the City's internal controls to determine if proper control procedures are in place and incompatible duties, from a control standpoint, are not performed by the same employee.
3. We reviewed surety bond coverage for compliance with Chapter 64 of the Code of Iowa.
4. We obtained and reviewed the City Clerk's financial reports and selected bank reconciliations to determine whether the bank balances properly reconciled to the general ledger account balances and monthly financial reports provided to the City Council.
5. We reviewed City funds for consistency with the City Finance Committee's recommended uniform chart of accounts (COA) and to determine required funds and fund balances are properly maintained and accurately accounted for.
6. We reviewed the City's fiscal year 2014 Annual Financial Report (AFR) to determine whether it was completed and accurately reflects the City's financial information.
7. We reviewed investments to determine compliance with Chapter 12B of the Code of Iowa.
8. We reviewed compliance with Chapters 12C.2, 12B.10B and 556.1(12) of the Code of Iowa pertaining to required depository resolutions, investment policy and reporting of unclaimed property to the State of Iowa.

9. We reviewed debt, including general obligation and revenue bonds/notes, and related transactions for proper authorization and compliance with Chapters 75, 384 and 403.9 of the Code of Iowa and to determine whether the debt and related proceeds and repayments were properly accounted for.
10. We reviewed and tested selected tax increment financing (TIF) transactions, including receipts, disbursements and transfers, for compliance and accurate accounting, including compliance with the TIF reporting requirements of Chapter 384.22 of the Code of Iowa.
11. We reviewed the City's TIF debt certification forms filed with the County Auditor, including requests for collection of reduced TIF amounts and to decertify certain TIF obligations, as applicable, for proper support and compliance with Chapter 403.19(6) of the Code of Iowa.
12. We reviewed and tested selected receipts for accurate accounting and consistency with the recommended chart of accounts.
13. We reviewed and tested selected disbursements for proper approval, adequate supporting documentation, accurate accounting and consistency with the recommended chart of accounts and compliance with the public purpose criteria established by Article III, Section 31 of the Constitution of the State of Iowa.
14. We reviewed transfers between funds for propriety, proper authorization and accurate accounting.
15. We reviewed and tested selected payroll and related transactions for propriety, proper authorization and accurate accounting.
16. We reviewed the annual certified budget for proper authorization, certification and timely amendment.

Based on the performance of the procedures described above, we identified various recommendations for the City. Our recommendations are described in the Detailed Recommendations section of this report. Unless reported in the Detailed Recommendations, items of non-compliance were not noted during the performance of the specific procedures listed above.

These agreed upon procedures do not constitute an audit of financial statements or any part thereof, the objective of which is the expression of an opinion on the financial statements, or a part thereof. Had we performed additional procedures, or had we performed an audit of the City of Kingsley, additional matters might have come to our attention that would have been reported to you.

This report, a public record by law, is intended solely for the information and use of the officials, employees and citizens of the City of Kingsley and other parties to whom the City of Kingsley may report. This report is not intended to be and should not be used by anyone other than these specified parties.

DETAILED RECOMMENDATIONS

CITY OF KINGSLEY
DETAILED RECOMMENDATIONS
FOR THE PERIOD JULY 1, 2014 THROUGH JUNE 30, 2015

(A) Segregation of Duties – One important aspect of internal control is the segregation of duties among employees to prevent an individual employee from handling duties which are incompatible. Generally, one individual has control over each of the following areas for the City:

1. Cash – handling, reconciling and recording.
2. Receipts – opening mail, collecting, depositing, journalizing, reconciling and posting.
3. Disbursements – purchasing, invoice processing, check writing, mailing, reconciling and recording.
4. Payroll – recordkeeping, preparing and distributing.
5. Utilities – billing, collecting, depositing and posting.
6. Financial reporting – preparing and reconciling.
7. Journal entries – preparing and journalizing.

Recommendation – We realize segregation of duties is difficult with a limited number of employees. However, the City should review its control procedures to obtain the maximum internal control possible under the circumstances utilizing currently available staff, including elected officials. Independent reviews of reconciliations should be documented by the signature or initials of the reviewer and the date of the review.

(B) Bank Reconciliations – Although monthly bank reconciliations were prepared, the reconciliations were not reviewed by an independent person. Also, for the two months reviewed, bank and book balances did not properly reconcile.

Recommendation – The City should establish procedures to ensure bank and investment account balances are reconciled to the general ledger and variances, if any, are reviewed and resolved timely. An independent person should review the reconciliations and document the review by signing or initialing and dating the monthly reconciliations.

(C) Petty Cash and Change Funds – The City’s petty cash and change funds were not included in the City’s accounting records and resulting fund balances.

Recommendation –For better accountability, financial and budgetary control, the financial activity and balances of all City funds and accounts, including petty cash and change funds, should be included in the Clerk’s accounting system.

(D) Certified Budget – Disbursements during the year ended June 30, 2015 exceeded the amounts budgeted in the public works, and culture and recreation functions. Chapter 384.20 of the Code of Iowa states, in part, “Public monies may not be expended or encumbered except under an annual or continuing appropriation.”

Recommendation – The budget should have been amended in accordance with Chapter 384.18 of the Code of Iowa before disbursements were allowed to exceed the budget.

DETAILED RECOMMENDATIONS
FOR THE PERIOD JULY 1, 2014 THROUGH JUNE 30, 2015

(E) Revenue Bonds – The provisions of the sewer revenue bonds require sufficient monthly transfers be made to a separate sewer revenue bond sinking account for the purpose of making the bond principal and interest payments when due. The City has established the sewer revenue bond sinking account. However, the required balance is currently maintained in the account and the bond payments were made from the debt service fund.

Recommendation – Although a transfer was made from the sewer to the debt service fund, the City should make the bond principal and interest payments directly from the sewer fund. The city should also ensure the required balance is maintained in the sewer sinking fund.

(F) Business Transactions – Business transactions between the City and City officials or employees are detailed as follows:

<u>Name, Title, and Business Connection</u>	<u>Transaction Description</u>	<u>Amount</u>
Rick Bohle, Mayor, Owner of Bohle Construction	Snow removal and maintenance	\$20,730
Neal Rolling, Council member Owner of Rolling Oil Co	Purchase of fuel, vehicle parts and repairs	\$7,272
Lance Howe, Council member Owner of H & H Builders	Maintenance building – Principal and interest	\$34,951

In accordance with Chapter 362.5(k) of the Code of Iowa, the above transactions may represent a conflict of interest since total transactions were more than \$2,500 during the fiscal year.

Recommendation – The City should consult legal counsel to determine the disposition of this matter.

(G) Payroll – Although time cards are maintained for all employees, there was no indication the time cards had been reviewed by appropriate supervisory personnel prior to preparation of the payroll.

Recommendation – Time cards should be reviewed and approved by appropriate supervisory personnel prior to preparation of payroll. The approval should be evidenced by the signature or initials of the reviewer and the date of the review.

(H) Journal Entry Approval – The City Clerk has control over multiple duties within the City due to its relatively small size, including preparing and posting journal entries. It was noted that there is no independent approval of journal entries prepared and posted.

Recommendation – The City should implement a procedure to have an independent person review and authorize journal entries prepared by the City Clerk such as the Mayor or member of the City Council. Authorization should be documented by the initials of the reviewer as well as the date of the review.

DETAILED RECOMMENDATIONS
FOR THE PERIOD JULY 1, 2014 THROUGH JUNE 30, 2015

- (I) City Council Minutes – Chapter 372.13(6) of the Code of Iowa requires minutes of all City Council proceedings be published within fifteen days of the meeting. Meeting minutes from one of the meetings tested were not published within fifteen days.

Recommendation – The City should comply with the Code of Iowa and publish City Council minutes within fifteen days of each meeting.
