INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
Southeastern Community College

Report on the Financial Statements

We have audited the accompanying financial statements of Southeastern Community College (College), West Burlington, Iowa, and its discretely presented component unit, as of and for the year ended June 30, 2015, and the related notes to the financial statements, which collectively comprise the College's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We did not audit the financial statements of the component unit of Southeastern Community College discussed in Note 1, which represents 100 percent of the assets and revenues of the discretely presented component unit. Those financial statements were audited by other auditors whose report has been furnished to us, and our opinion, insofar as it relates to the amounts included for the component unit, is based solely on the report of the other auditors. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. The financial statements of the component unit were not audited in accordance with *Government Auditing Standards*.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall financial statement presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, based on our audit and the report of other auditors, the financial statements referred to above present fairly, in all material respects, the respective financial position of Southeastern Community College and its discretely presented component unit, as of June 30, 2015, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 13 to the financial statements, the College adopted new accounting guidance related to Governmental Accounting Standards Board (GASB) Statement No. 68, *Accounting and Financial Reporting for Pensions - an Amendment of GASB Statement No. 27*. Our opinion is not modified with respect to this matter.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis on pages 5 through 14, and the Schedule of the College's Proportionate Share of the Net Pension Liability, the Schedule of College Contributions and the Schedule of Funding Progress for the Retiree Health Plan information on pages 42 through 46 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We and other auditors have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise Southeastern Community College's basic financial statements. We previously audited, in accordance with the standards referred to in the third paragraph of this report, the financial statements for the three years ended June 30, 2014 (which are not presented herein) and expressed unmodified opinions on those financial statements. The financial statements for the six years ended June 30, 2011, were audited by other auditors whose reports expressed unmodified opinions on those financial statements. The statements and schedules listed in the table of contents as supplementary information, as well as the accompanying Schedule of Expenditures of Federal Awards as required by the U.S. Office of

Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, are presented for purposes of additional analysis and are not required parts of the basic financial statements.

The supplementary information is the responsibility of Southeastern Community College's management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America by us and other auditors. In our opinion, based on our audit, the procedures performed as described above, and the report of the other auditors, the supplementary information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated December 2, 2015, on our consideration of Southeastern Community College's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Southeastern Community College's internal control over financial reporting and compliance.

**SOUTHEASTERN COMMUNITY COLLEGE
MANAGEMENT'S DISCUSSION AND ANALYSIS
June 30, 2015**

Management of Southeastern Community College provides this Management's Discussion and Analysis of the College's annual financial statements. This narrative overview and analysis of the financial activities of Southeastern Community College is for the fiscal year ended June 30, 2015. We encourage readers to consider this information in conjunction with the College's financial statements, which follow.

Financial Highlights

2015:

- College operating revenues increased 4.1% or \$894,918. The largest area of change was an increase in Iowa Industrial New Jobs Training Program revenues.
- Operating expenses increased by 1.8% or \$743,212.
- The College's change in net position was \$851,792. This is the result of the College's continued investment in capital assets and annual revenue exceeding expenditures.

2014:

- College operating revenues decreased 5.4% or \$1,238,607. The largest area of change was a decrease in federal appropriations of \$1,244,331.
- Operating expenses decreased by less than 1% or \$289,031.
- The College's net position increased 3.2% or \$864,752. This is the result of the College's continued investment in capital assets and annual revenue exceeding expenditures.

**SOUTHEASTERN COMMUNITY COLLEGE
MANAGEMENT'S DISCUSSION AND ANALYSIS
June 30, 2015**

Using This Annual Report

The annual report consists of a series of financial statements and other information, as follows:

Management's Discussion and Analysis introduces the basic financial statements and provides an analytical overview of the College's financial activities.

The basic financial statements consist of a Statement of Net Position, a Statement of Revenues, Expenses and Changes in Net Position and a Statement of Cash Flows. These provide information about the activities of the College as a whole and present an overall view of the College's finances.

Notes to the financial statements provide additional information that is essential to a full understanding of the data provided in the basic financial statements.

Required Supplementary Information presents the College's proportionate share of the net pension liability and related contributions, as well as presenting the Schedule of Funding Progress for the Retiree Health Plan.

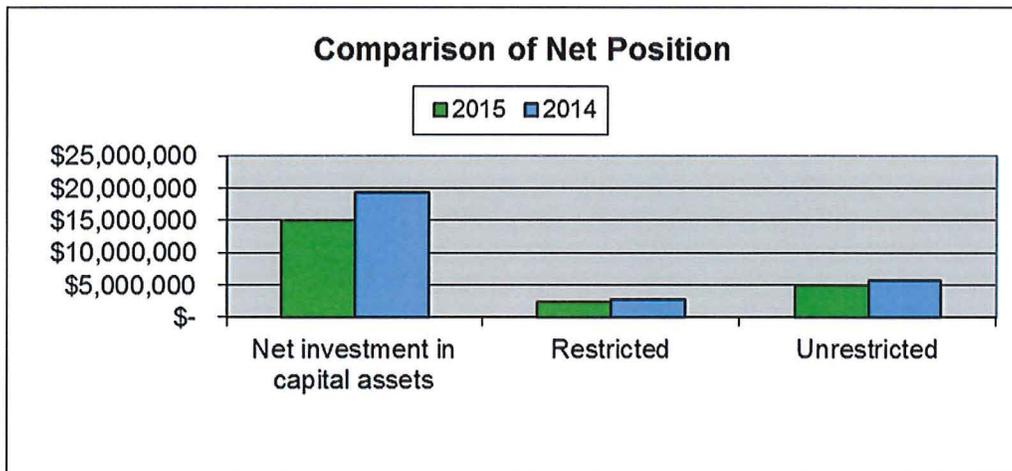

Supplementary Information provides detailed information about the individual funds. The Budgetary Comparison Schedule of Expenditures - Budget to Actual further explains and supports the financial statements with a comparison of the College's budget for the year. The Schedule of Expenditures of Federal Awards provides details of various federal programs benefiting the College.

Reporting the College's Financial Activities

Statement of Net Position - The statement of net position presents the assets, deferred outflows of resources, liabilities and deferred inflows of resources with the difference reported as net position. The statement of net position is a point-in-time financial statement. The purpose of this statement is to present a fiscal snapshot of the College to the readers of the financial statements. The statement of net position includes year-end information concerning current and noncurrent assets, deferred outflows of resources, current and noncurrent liabilities, deferred inflows of resources and net position. Over time, readers of the financial statements will be able to determine the College's financial position by analyzing the increases and decreases in net position. This statement is also a good source for readers to determine how much the College owes to outside vendors and creditors. The statement also presents the available assets that can be used to satisfy those liabilities.

June 30, 2015**

	<u>June 30,</u>	
	<u>2015</u>	<u>2014</u>
Net position		(Not restated)
Current and other assets	\$ 34,926,921	\$ 31,566,828
Capital assets, net of accumulated depreciation	<u>22,323,544</u>	<u>20,310,405</u>
Total assets	<u>57,250,465</u>	<u>51,877,233</u>
Deferred outflows of resources	<u>1,032,304</u>	<u>-</u>
Current liabilities	9,858,933	7,446,880
Noncurrent liabilities	<u>20,119,465</u>	<u>13,059,196</u>
Total liabilities	<u>29,978,398</u>	<u>20,506,076</u>
Deferred inflows of resources	<u>6,050,009</u>	<u>3,612,805</u>
Net position		
Net investment in capital assets	15,057,581	19,330,979
Restricted	2,244,091	2,799,920
Unrestricted	<u>4,952,690</u>	<u>5,627,453</u>
Total net position	<u>\$ 22,254,362</u>	<u>\$ 27,758,352</u>

Year Ended June 30, 2015 - The largest portion of the College's net position (67.7%) is invested in capital assets (e.g., land, buildings, and equipment), less the related debt. The debt related to the capital assets is liquidated with resources other than capital assets. The restricted portion of the net position (10.1%) includes resources that are subject to external restrictions. The remaining net position (22.2%) is the unrestricted net position that can be used to meet the College's obligations as they come due.

**SOUTHEASTERN COMMUNITY COLLEGE
MANAGEMENT'S DISCUSSION AND ANALYSIS
June 30, 2015**

Year Ended June 30, 2014 - The largest portion of the College's net position (69.6%) is invested in capital assets (e.g., land, buildings, and equipment), less the related debt. The debt related to the capital assets is liquidated with resources other than capital assets. The restricted portion of the net position (10.1%) includes resources that are subject to external restrictions. The remaining net position (20.3%) is the unrestricted net position that can be used to meet the College's obligations as they come due.

Governmental Accounting Standards Board Statement No. 68, *Accounting and Financial Reporting for Pensions - an Amendment of GASB Statement No. 27* was implemented during fiscal year 2015. The beginning net position as of July 1, 2014 was restated by \$6,355,782 to retroactively report the net pension liability as of June 30, 2013 and deferred outflows of resources related to contributions made after June 30, 2013 but prior to July 1, 2014. Fiscal year 2013 and 2014 financial statement amounts for net pension liabilities, pension expense, deferred outflows of resources and deferred inflows of resources were not restated because the information was not available. In the past, pension expense was the amount of the employer contribution. Current reporting provides a more comprehensive measure of pension expense which is more reflective of the amounts employees earned during the year.

Statement of Revenues, Expenses and Changes in Net Position - Changes in total net position, as presented in the Statement of Net Position, are based on the activity presented in the Statement of Revenues, Expenses and Changes in Net Position. The purpose of the statement is to present the revenues earned by the College, both operating and nonoperating, and the expenses incurred by the College, both operating and non-operating, and any other revenues, expenses, gains and losses received or spent by the College.

In general, a public college, such as Southeastern Community College, will report an operating loss since the financial reporting model classifies state appropriations and property taxes as nonoperating revenues. Operating revenues are received for providing goods and services to the various students, customers and constituencies of the College. Operating expenses are those expenses paid to acquire or produce the goods and services provided in return for the operating revenues, and to carry out the mission of the College. Nonoperating revenues are revenues received for which goods and services are not provided. The utilization of capital assets is reflected in the financial statements as depreciation/amortization, which allocates the cost of an asset over its expected useful life.

Total Revenue by Source

The Statement of Revenues, Expenses and Changes in Net Position reflects positive years for both 2015 and 2014, with an increase in the net position of \$851,792 and \$864,752, respectively.

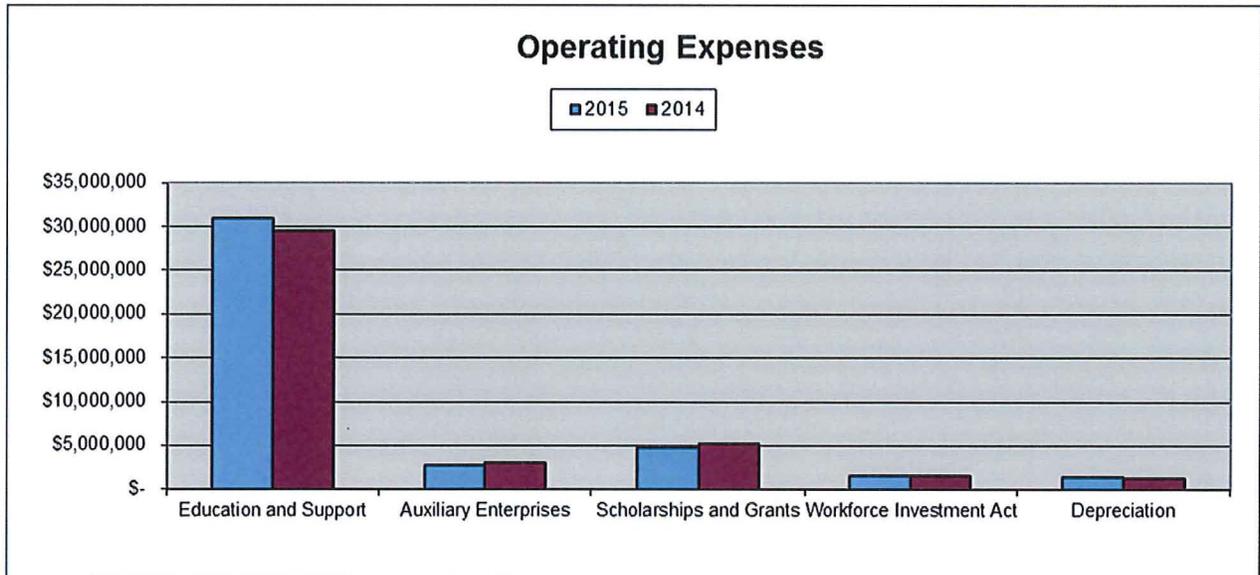

In fiscal year 2015, operating revenues increased by \$894,918, or 4.1%. The change was the result of an increase in tuition and fees, funds related to the New Jobs Training Program and other miscellaneous revenues received.

**SOUTHEASTERN COMMUNITY COLLEGE
MANAGEMENT'S DISCUSSION AND ANALYSIS
June 30, 2015**

Operating expenses

	Year Ended June 30,	
	2015	2014
Education and support:		
Liberal arts and sciences	\$ 9,863,234	\$ 5,530,573
Vocational technical	4,597,068	4,379,165
Adult education	2,319,849	1,782,194
Cooperative services	1,854,018	5,465,892
General administration	1,481,540	1,877,427
Student services	3,204,600	2,888,762
Learning resources	415,236	405,505
Physical plant	2,921,449	3,054,509
General institution	4,321,456	4,184,782
Auxiliary enterprises	2,720,144	3,031,406
Scholarships and grants	4,780,760	5,215,408
Workforce Investment Act	1,553,059	1,622,017
Depreciation expense	1,473,431	1,324,992
Total operating expenses	\$ 41,505,844	\$ 40,762,632

In fiscal year 2015, operating expenses increased by \$743,212, or 1.8%. While general Education and Support expenditures increased by approximately \$1,410,000, scholarships and grants decreased by approximately \$435,000.

**SOUTHEASTERN COMMUNITY COLLEGE
MANAGEMENT'S DISCUSSION AND ANALYSIS
June 30, 2015**

Statement of Cash Flows - The Statement of Cash Flows is an important tool in helping users to assess the College's ability to generate future net cash flows, its ability to meet its obligations as they come due, and its need for external financing. The Statement of Cash Flows presents information related to cash inflows and outflows, summarized by operating, non-capital financing, capital and related financing and investing activities.

Cash flows	<u>Year Ended June 30,</u>	
	<u>2015</u>	<u>2014</u>
Cash provided by (used in):		
Operating activities	\$(16,766,022)	\$(16,991,063)
Non-capital financing activities	23,046,031	20,945,238
Capital and related financing activities	(4,455,358)	4,845,082
Investing activities	<u>155,728</u>	<u>72,847</u>
Net increase in cash and cash equivalents	1,980,379	8,872,104
 Cash:		
Beginning	<u>22,847,957</u>	<u>13,975,853</u>
Ending	<u>\$ 24,828,336</u>	<u>\$ 22,847,957</u>

Cash used by operating activities includes tuition, fees, operating grants and contracts, net of payments to employees and suppliers. Cash provided by non-capital financing activities includes state appropriations, Pell grant and local property taxes received. The category with the largest change is capital and related financing activities due to the issuance of \$7,115,000 in GO bonds during FY14. Cash provided by investing activities includes interest income received.

Capital assets

As of June 30, 2015, the College had \$22,323,544 invested in capital assets, net of accumulated depreciation of \$18,561,051. Depreciation charges totaled \$1,473,431 for fiscal year 2015. Details of the capital assets are shown below.

	<u>June 30,</u>	
	<u>2015</u>	<u>2014</u>
Land	\$ 858,541	\$ 858,541
Construction in progress	1,809,267	-
Buildings	16,070,205	15,861,978
Other structures and improvements	2,063,658	1,983,501
Furniture and equipment	<u>1,521,873</u>	<u>1,606,385</u>
Totals	<u>\$ 22,323,544</u>	<u>\$ 20,310,405</u>

More detailed information about the College's capital assets is presented in Note 3 to the basic financial statements.

**SOUTHEASTERN COMMUNITY COLLEGE
MANAGEMENT'S DISCUSSION AND ANALYSIS
June 30, 2015**

Debt Service

A summary of the College's long-term debt is as follows:

Outstanding debt	June 30,	
	2015	2014
General obligation, dormitory revenue and school refunding bonds (principal)*	\$ 7,328,546	\$ 8,059,913
Certificates payable (principal)*	9,508,107	6,085,876
Totals	\$ 16,836,653	\$ 14,145,789

*Net of discounts and premiums on issuance

June 30, 2015 - Long-term debt increased by \$2,690,864 (19.0%) in 2015. New debt of \$4,670,000 was issued for certificates.

More detailed information about the College's outstanding debt is presented in Note 4 to the basic financial statements.

Economic factors

Southeastern Community College improved its financial position during the current fiscal year. Economic factors and trends that continue to draw a great deal of scrutiny by the College are:

- State Appropriations consisting primarily of state general aid, represent 42.2% of unrestricted general operating fund revenues, down from 43.5% in the prior fiscal year. The growth in State tax revenues has slowed. The State Legislature has shown a commitment to community colleges. Although the State committed an additional \$270,471 to the College in general aid for the fiscal year ending June 30, 2015, an increase of 3.3%, there will be no increase for Fiscal year 2016. While the state commitment is welcome, the College will continue to identify ways to increase revenue and reduce expenditures within the general operating fund. This is a budgetary area that must be continually monitored by the College.
- Tuition Revenue collections in the unrestricted and restricted general operating fund were down .5% and continue to be the largest source of revenue for the fund, representing 50% of the total revenues in the unrestricted general operating fund. It is difficult revenue to predict and budget, and continued tuition rate increases (5.5% for fiscal year 2015) may create hardships. The College continues to be sensitive to these hardships with a tuition rate that is \$3.34 per credit hour below the state average.
- Property Tax revenue increased \$125,166 for all funds and total taxable property values increased for the 2015 levy by \$37,443,548 (1.1%). Property tax collections for the unrestricted general operating fund represent 3.6% of total revenues.

**SOUTHEASTERN COMMUNITY COLLEGE
MANAGEMENT'S DISCUSSION AND ANALYSIS
June 30, 2015**

Economic factors (continued)

- Industrial New Jobs Training (260E) Projects provide valuable resources for area businesses and industries for expansion and training of their labor forces. New training certificates in the amount of \$4,685,878 were issued with related debt reduced by \$1,275,000. Economic conditions have begun to improve substantially from the downturn of 2008-2010. Several existing employers in Southeast Iowa are making capital investments and adding employees. New industries have located in the region and the economic development entities report good prospect levels. This activity has resulted in increased INJT preliminary agreements in the amounts of \$3,000,000 representing 7 different companies, which are slated to be finalized in the coming months.
- Labor Costs represent 75.1% of the unrestricted general operating fund expenditures, an increase of 3.5%.
- Student Enrollment recorded for the State of Iowa purposes, decreased .3% (234 credit hours) from the prior year. However, the State of Iowa changed its reporting requirement in Fiscal Year 2014, to exclude credit hours for classes that were started, but not yet complete as of June 30, 2014. In prior years, the college estimated the portion of the credit hours earned that were started but not yet completed by June 30.

Contacting the College's Financial Management

This financial report is designed to provide our customers, community taxpayers and our creditors with a general overview of the College's finances and to demonstrate the College's accountability for the resources it receives. If you have questions about the report or need additional financial information, contact Southeastern Community College, 1500 West Agency Road, West Burlington, Iowa 52655.

**SOUTHEASTERN COMMUNITY COLLEGE
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2015**

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Southeastern Community College (College) is a publicly-supported post-secondary two-year institution established under the provisions of Chapter 260C of the Code of Iowa.

In fulfilling the responsibilities assigned to it by law, Southeastern Community College offers a comprehensive educational program and support services to serve local and state needs. The College offers career education, adult education and college parallel courses as its curriculum. In addition, the College acts as an agency for the State of Iowa in connection with the Workforce Investment Act. Southeastern Community College maintains campuses in West Burlington, Mt. Pleasant, Fort Madison and Keokuk and has its administrative offices in West Burlington.

Financial Reporting Entity

For financial reporting purposes, Southeastern Community College has included all funds, organizations, agencies, boards, commissions and authorities. The College has also considered all potential component units for which it is financially accountable and other organizations for which the nature and significance of their relationship with the College are such that exclusion would cause the College's financial statements to be misleading or incomplete. The Governmental Accounting Standards Board has set forth criteria to be considered in determining financial accountability. These criteria include appointing a voting majority of an organization's governing body and (1) the ability of the College to impose its will on that organization or (2) the potential for the organization to provide specific benefits to or impose specific financial burdens on the College.

Southeastern Community College is a political subdivision of the State of Iowa governed by a Board of Trustees, which is elected by the public and has the exclusive responsibility and accountability for the decisions it makes. The College has statutory authority to adopt its own budget, to levy taxes and to issue bonded debt without the approval of another government. It has the right to sue and be sued, and has the right to buy, sell, lease or mortgage property in its own name.

These financial statements present Southeastern Community College (the primary government) and its component unit. The component unit discussed below is included in the College's reporting entity because of the significance of its operational or financial relationship with the College. Certain disclosures about the component unit are not included because the component unit has been audited separately and a report has been issued under separate cover. The audited financial statements are available at the College.

Discrete Component Unit

The College is considered to be a primary government and has included Southeastern Community College Foundation as a component unit in their basic financial statements due to the nature of their relationship with the College.

**SOUTHEASTERN COMMUNITY COLLEGE
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2015**

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

The Southeastern Community College Foundation is a legally separate, tax-exempt foundation which is governed by a Board of Directors, the majority of which are appointed by the Board of Trustees of the College. The Foundation's purpose is to support the College through donations to provide scholarships to students, and for the enhancement and extension of facilities, equipment and services. The Foundation operates on a June 30 fiscal year-end. Financial statements can be obtained from Southeastern Community College, 1500 West Agency Road, West Burlington, Iowa 52655.

The Foundation is a non-profit organization which reports under accounting standards established by the Financial Accounting Standards Board (FASB). The Foundation's financial statements were prepared in accordance with the provisions of FASB No. 117, Financial Statements of Not-for-Profit Organizations. As such, certain revenue recognition criteria and presentation features are different from GASB revenue recognition criteria and presentation features. No modifications have been made to the Foundation financial information in the College's financial reporting for these differences. The Foundation reports net assets, which is equivalent to net position reported by the College.

The College's financial statements are prepared in conformity with U.S. generally accepted accounting principles as prescribed by the Governmental Accounting Standards Board.

Basis of Presentation

GASB Statement No. 35 establishes standards for external financial reporting for public colleges and universities and requires resources to be classified for accounting and reporting purposes into the following net position categories/components:

Net Investment in Capital Assets - Capital assets, net of accumulated depreciation/amortization and outstanding debt obligations attributable to the acquisition, construction or improvement of those assets.

Restricted Net Position:

Nonexpendable - Net position subject to externally imposed stipulations that they be maintained permanently by the College.

Expendable - Net position whose use by the College is subject to externally imposed stipulations that can be fulfilled by actions of the College pursuant to those stipulations or that expire by the passage of time.

Unrestricted Net Position - Net position not subject to externally imposed situations. Resources may be designated for specific purposes by action of management or by the Board of Trustees or may otherwise be limited by contractual agreements with outside parties. Substantially all unrestricted net position is designated for academic and general programs of the College.

SOUTHEASTERN COMMUNITY COLLEGE
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2015

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

GASB Statement No. 35 also requires the Statements of Net Position, Revenues, Expenses and Changes in Net Position and Cash Flows be reported on a consolidated basis. These basic financial statements report information on all of the activities of the College. For the most part, the effect of interfund activity has been removed from these statements.

Measurement Focus and Basis of Accounting

For financial reporting purposes, the College is considered a special-purpose government engaged only in business-type activities as defined in GASB Statement No. 34. Accordingly, the basic financial statements of the College have been prepared using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenue in the year for which it is levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Assets, Deferred Outflows of Resources, Liabilities, Deferred Inflows of Resources and Net Position

Cash, cash equivalents and investments - Investments are stated at their fair value, except for the investment in the Iowa Schools Joint Investment Trust which is stated at amortized cost and non-negotiable certificates of deposit which are stated at cost. The Iowa Schools Joint Investment Trust is a common law trust established under Iowa law and is administered by an appointed investment management company. The value of the position in the trust is the same as the amortized cost value of the shares. Securities traded on a national or international exchange are valued at the last reported sales price at current exchange rates.

For purposes of the Statement of Cash Flows, all short-term cash investments that are highly liquid are considered to be cash equivalents. Cash equivalents are readily convertible to known amounts of cash and, at the day of purchase, have a maturity date no longer than three months.

Due from other governments - This asset represents state aid, grants and reimbursements due from the State of Iowa, and grants and reimbursements due from the federal government.

Inventories - Inventories are stated at the lower of cost (first-in, first-out) or market and consist primarily of bookstore inventories held for resale. The cost is recorded as an expense at the time individual inventory items are consumed.

**SOUTHEASTERN COMMUNITY COLLEGE
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2015**

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Property tax receivable - Property tax receivable is recognized on the levy or lien date, which is the date that the tax request is certified by the Board of Trustees to the appropriate County Auditor. The succeeding year property tax receivable represents taxes certified by the Board of Trustees to be collected in the next fiscal year for purposes set out in the budget for the next fiscal year. By statute, the Board of Trustees is required to certify its budget to the County Auditor by March 15 of each year for the subsequent fiscal year. However, by statute, the tax asking and budget certification for the following fiscal year becomes effective on the first day of that year. Although the succeeding year property tax receivable has been recorded, the related revenue is deferred and will not be recognized as revenue until the year for which it is levied.

Property tax revenues recognized become due and collectible in September and March of the current fiscal year and are based on January 1, 2013 assessed property valuations for the tax accrual period July 1, 2014 through June 30, 2015 and reflects the tax request contained in the budget certified to the appropriate County Auditor in March 2014.

Due from Iowa Industrial New Jobs Training Program (NJTP) - This receivable represents the total amount to be remitted to the College for training projects entered into between the College and employers under the provisions of Chapter 260E of the Code of Iowa. The receivable amount is based on NJTP project expenditures incurred through June 30, 2015, plus interest incurred on NJTP certificates, less revenues received to date.

Capital assets - Capital assets, which include land, buildings, other structures and improvements, and furniture and equipment, are recorded at historical cost if purchased or constructed. Donated capital assets are recorded at estimated fair value at the date of donation.

The costs of normal maintenance and repair that do not add to the value of the assets or materially extend asset lives are not capitalized. No interest costs were capitalized since there were no qualifying assets.

Capital assets are defined by the College as assets with initial, individual costs in excess of \$5,000 and estimated useful lives in excess of one year.

Depreciation is computed using the straight-line method over the following estimated useful lives:

	<u>Years</u>
Buildings	50
Other structures and improvements	25
Furniture and equipment	3-5

The College does not capitalize or depreciate their library book collection. This collection is unencumbered, held for public education, protected, cared for, and preserved and the proceeds from the sale of library books, if any, are not material to the financial statements.

SOUTHEASTERN COMMUNITY COLLEGE
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2015

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Impairment of long-lived assets - The College reviews long-lived assets for impairment whenever events or changes in circumstances indicate the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to future undiscounted net cash flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the assets exceeds the fair value of the assets. Assets to be disposed of are reported at the lower of carrying amount or the fair value less costs to sell.

Deferred Outflows of Resources - Deferred outflows of resources represent a consumption of net position that applies to a future period(s) and will not be recognized as an outflow of resources (expense/expenditure) until then. Deferred outflows of resources consist of unrecognized items not yet charged to pension expense and contributions from the employer after the measurement date but before the end of the employer's reporting period.

Salaries and benefits payable - Payroll and related expenditures for teachers with annual contracts corresponding to the current school year, which are payable in July and August, have been accrued as liabilities.

Advances from grantors and others - Advances from grantors represents grant proceeds which have been received by the college, but will be spent in a succeeding fiscal year. Advances from others represents amounts received in the current fiscal year, but revenues will not be earned until the following year.

Compensated absences - College employees accumulate a limited amount of earned but unused vacation for subsequent use or for payment upon early termination, death or retirement. Amounts representing the cost of compensated absences are recorded as liabilities. These liabilities have been computed based on rates of pay in effect as of June 30, 2015.

Pensions - For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the Iowa Public Employees' Retirement System (IPERS) and additions to/deductions from IPERS' fiduciary net position have been determined on the same basis as they are reported by IPERS. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

Deferred Inflows of Resources - Deferred inflows of resources represents an acquisition of net position that applies to a future period(s) and will not be recognized as an inflow of resources (revenue) until that time. Deferred inflows of resources in the Statement of Net Position consists of succeeding year property tax receivable that will not be recognized as revenue until the year for which it is levied and the unamortized portion of the net difference between projected and actual earnings on pension plan investments.

SOUTHEASTERN COMMUNITY COLLEGE
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2015

(NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED))

Auxiliary enterprises revenues and expenses - Auxiliary enterprises revenues and expenses primarily represent revenues generated and expenses associated with the bookstore, cafeteria, shop sales, printing services, dormitories and athletics.

Summer session - The College operates summer sessions during May, June and July. Revenues and expenses for the summer sessions are recorded in the appropriate fiscal year. Tuition and fees for the summer sessions are recorded based on the length of each session.

Deposit held in custody for others - These deposits consist primarily of funds for student organizations.

Tuition and fees - Tuition and fees revenues are reported net of scholarship allowances, while stipends and other payments made directly to students are presented as scholarship expenses.

Operating and non-operating activities - Operating activities, as reported in the Statement of Revenues, Expenses and Changes in Net Position are transactions that result from exchange transactions, such as payments received for providing services and payments made for services or goods received. Non-operating activities include state appropriations, Pell grants, property tax and interest earnings.

Use of estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Scholarship allowances and student aid - Financial aid to students is reported in the financial statements under the alternative method, as prescribed by the National Association of College and University Business Officers (NACUBO). Certain aid (loans, funds provided to students as awarded by third parties and Federal Direct Lending) is accounted for as third-party payments (credited to the student's account as if the student made the payment). All other aid is reflected in the financial statements as operating expenses or scholarship allowances which reduce revenue. The amount reported as operating expenses represents the portion of aid that was provided to the student in the form of cash. Scholarship allowances represent the portion of aid provided to the student in the form of reduced tuition. Under the alternative method, these amounts are computed on a total College basis by allocating the cash payments to students, excluding payments for services, on the ratio of all aid to the aid not considered to be third party aid.

Subsequent events - Management has evaluated subsequent events through December 2, 2015, the date the financial statements were available to be issued.

**SOUTHEASTERN COMMUNITY COLLEGE
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2015**

NOTE 2 - CASH, CASH EQUIVALENTS AND INVESTMENTS

As of June 30, 2015, the College's cash, cash equivalents and investments consist of the following:

Cash	\$ 2,509,558
Money Market Accounts	14,134,005
Iowa Schools Joint Investment Trust	<u>8,184,773</u>
	24,828,336
Restricted certificate of deposit	<u>204,000</u>
Total	<u>\$ 25,032,336</u>

Interest rate risk - Interest rate risk is the risk that changes in market interest rates will adversely affect the fair value of an investment. Generally, the longer the maturity of an investment the greater the sensitivity of its fair value to changes in market interest rates. As a means of limiting its exposure to fair value losses arising from rising interest rates, the College's investment policy limits operating funds portfolio to maturities of less than 397 days. Funds that are not identified as operating funds may be invested in investments with maturities longer than 397 days; however, all investments shall have maturities that are consistent with the needs and use of the College.

Credit risk - Generally, credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investments. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. Obligations of the U.S. government are explicitly guaranteed by the U.S. government and are not subject to credit risk. The College is authorized by statute to invest public funds in obligations of the U.S. government, its agencies and instrumentalities; certificates of deposit or other evidences of deposit at federally insured depository institutions approved by the Board of Trustees; prime eligible bankers acceptances; certain high rated commercial paper; perfected repurchase agreements; certain registered open-end management investment companies; and certain joint investment trusts. However, the College's investment policy additionally limits investments in commercial paper to obligations that mature within 270 days and that is rated within the two highest classifications, as established by at least one of the standard rating services, with no more than 5% at the time of purchase placed in the second highest classification. At the time of purchase, no more than 10% of the investment portfolio can be in these investments and no more than 5% of the investment portfolio can be invested in the securities of a single issuer.

As of June 30, 2015, the Iowa Schools Joint Investment Trust was valued at an amortized cost of \$8,184,773 pursuant to Rule 2a-7 under the Investment Company Act of 1940. The College's investments in the Iowa Schools Joint Investment Trust were AAAM by Standard & Poor's Financial Services.

**SOUTHEASTERN COMMUNITY COLLEGE
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2015**

NOTE 2 - CASH, CASH EQUIVALENTS AND INVESTMENTS (CONTINUED)

Concentration of credit risk - The College's general investment policy is to apply the prudent-person rule: Investments are made as a prudent person would be expected to act, with discretion and intelligence, to seek reasonable income, preserve capital and, in general, avoid speculative investments. The College's investment policy seeks to provide safety of the principal, maintain the necessary liquidity to match expected liabilities, and obtain a reasonable rate of return. The policy allows for investments of up to 100% in interest bearing savings, money market and checking accounts, certificates of deposits, repurchase agreements, money market mutual funds, bonds, notes, certificates of indebtedness, treasury bills or other securities issued by the United States of America, its agencies and allowable instrumentalities; up to 10% in prime bankers' acceptances; and up to 10% in commercial paper. The policy does not allow the College to invest in reverse repurchase agreements and futures or options.

The College did not have any investments explicitly guaranteed by the U.S. government, money market funds and mutual funds are excluded from this consideration.

Custodial credit risk - Custodial credit risk is the risk that in the event of a bank failure, the government's deposits may not be returned to it. It is the College's policy to require that time deposits in excess of FDIC insurable limits be secured by collateral or private insurance to protect public deposits in a single financial institution if it were to default.

As of June 30, 2015, the carrying amount of the College's deposits excluding \$2,350 of petty cash, totaled \$24,825,986 with a bank balance of \$25,040,120. The College's deposits as of June 30, 2015 were entirely covered by federal depository insurance or by the State Sinking Fund, in accordance with Chapter 12C of the Code of Iowa. This Chapter provides for additional assessments against the depositories to ensure there will be no loss of public funds.

The College invests in the Iowa Schools Joint Investment Trust, which is not subject to risk categorization.

As of June 30, 2015, the College's Foundation cash balance and investments consist of the following:

Cash	\$ 1,077,480
Investments, other	5,200,610
Investment, beneficial interest in perpetual trusts	1,235,665
Real estate, at cost	<u>150,000</u>
Total	<u>\$ 7,663,755</u>

Investments of the component unit consist principally of mutual funds, debt instruments and common stock.

(A) The College has certificates payable with a June 30, 2015 outstanding balance of \$9,520,000, with interest rates ranging from 2.0% to 6.25% per annum and bond discounts totaling \$11,893. These certificates were issued to finance the development and training costs relative to implementing Chapter 260E of the Code of Iowa, the Iowa Industrial New Jobs Training Program (NJTP). NJTP's purpose is to provide tax-aided training for employees of industries which are new to or are expanding their operations within the State of Iowa. Interest on the certificates is due semiannually, while the principal matures annually. The certificates are to be retired from the proceeds of withholding taxes, incremental property taxes and in the case of default, from standby property taxes collected.

The annual debt service requirements on the certificates are as follows:

Year Ending June 30:	<u>Principal</u>	<u>Interest</u>	<u>Total</u>
2016	\$ 1,925,000	\$ 309,568	\$ 2,234,568
2017	1,530,000	219,783	1,749,783
2018	1,440,000	167,743	1,607,743
2019	915,000	120,400	1,035,400
2020	880,000	99,458	979,458
2021-2025	<u>2,830,000</u>	<u>176,678</u>	<u>3,006,678</u>
Total	<u>\$ 9,520,000</u>	<u>\$ 1,093,630</u>	<u>\$ 10,613,630</u>

(B) Dormitory revenue refunding bonds, Series 2000, at 6%. Interest is due semiannually and principal is due annually in varying amounts through 2020. The proceeds of the bonds were used for the construction of college apartments.

**SOUTHEASTERN COMMUNITY COLLEGE
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2015**

NOTE 4 - LONG-TERM DEBT (CONTINUED)

(C) The College has General obligation bonds, Series 2014 payable of \$6,515,000 with interest rates ranging from 2.00% to 2.70% and a bond premium totaling \$62,583. Interest is due semiannually and principal is due in varying amounts through 2026. The bond proceeds will be used to finance the costs of a renovation and new construction of college campus facilities including upgrades to technology and equipment.

Collateral on the bonds payable is the underlying capital assets that the proceeds will be used for.

The debt service requirements on the bonds are as follows:

	<u>Principal</u>	<u>Interest</u>	<u>Total</u>
Year Ending June 30:			
2016	\$ 783,218	\$ 188,578	\$ 971,796
2017	816,211	167,585	983,796
2018	599,684	145,612	745,296
2019	638,665	127,631	766,296
2020	678,185	108,511	786,696
2021-2025	3,060,000	317,510	3,377,510
2026	<u>690,000</u>	<u>18,630</u>	<u>708,630</u>
Total	<u>\$ 7,265,963</u>	<u>\$ 1,074,057</u>	<u>\$ 8,340,020</u>

As of June 30, 2015, \$204,000 is on deposit in a debt service reserve account for the dormitory revenue bonds and included in restricted investments on the statement of net position. This amount meets the requirements of the bond resolution, which specifies that the College maintain certain minimum amounts in this account until the bonds are retired.

NOTE 5 - IOWA PUBLIC EMPLOYEES' RETIREMENT SYSTEM (IPERS)

Plan Description - IPERS membership is mandatory for employees of Southeastern Community College except for those covered by another retirement system. Employees of the College are provided with pensions through a cost-sharing multiple employer defined benefit pension plan administered by IPERS. IPERS issues a stand-alone financial report which is available to the public by mail at 7401 Register Drive P.O. Box 9117, Des Moines, Iowa 50306-9117 or at www.ipers.org.

IPERS benefits are established under Iowa Code chapter 97B and the administrative rules thereunder. Chapter 97B and the administrative rules are the official plan documents. The following brief description is provided for general informational purposes only. Refer to the plan documents for more information.

Pension Benefits - A regular member may retire at normal retirement age and receive monthly benefits without an early-retirement reduction. Normal retirement age is age 65, anytime after reaching age 62 with 20 or more years of covered employment, or when the member's years of service plus the member's age at the last birthday equals or exceeds 88, whichever comes first. (These qualifications must be met on the member's first month of entitlement to benefits.) Members cannot begin receiving retirement benefits before age 55. The formula used to calculate a Regular member's monthly IPERS benefit includes:

- A multiplier (based on years of service).
- The member's highest five-year average salary. (For members with service before June 30, 2012, the highest three-year average salary as of that date will be used if it is greater than the highest five-year average salary.)

If a member retires before normal retirement age, the member's monthly retirement benefit will be permanently reduced by an early-retirement reduction. The early-retirement reduction is calculated differently for service earned before and after July 1, 2012. For service earned before July 1, 2012, the reduction is 0.25 percent for each month that the member receives benefits before the member's earliest normal retirement age. For service earned starting July 1, 2012, the reduction is 0.50 percent for each month that the member receives benefits before age 65.

Generally, once a member selects a benefit option, a monthly benefit is calculated and remains the same for the rest of the member's lifetime. However, to combat the effects of inflation, retirees who began receiving benefits prior to July 1990 receive a guaranteed dividend with their regular November benefit payments.

SOUTHEASTERN COMMUNITY COLLEGE
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2015

NOTE 5 - IOWA PUBLIC EMPLOYEES' RETIREMENT SYSTEM (IPERS) (CONTINUED)

Disability and Death Benefits - A vested member who is awarded federal Social Security disability or Railroad Retirement disability benefits is eligible to claim IPERS benefits regardless of age. Disability benefits are not reduced for early retirement. If a member dies before retirement, the member's beneficiary will receive a lifetime annuity or a lump-sum payment equal to the present actuarial value of the member's accrued benefit or calculated with a set formula, whichever is greater. When a member dies after retirement, death benefits depend on the benefit option the member selected at retirement.

Contributions - Effective July 1, 2012, as a result of a 2010 law change, the contribution rates are established by IPERS following the annual actuarial valuation, which applies IPERS' Contribution Rate Funding Policy and Actuarial Amortization Method. Statute limits the amount rates can increase or decrease each year to 1 percentage point. IPERS Contribution Rate Funding Policy requires that the actuarial contribution rate be determined using the "entry age normal" actuarial cost method and the actuarial assumptions and methods approved by the IPERS Investment Board. The actuarial contribution rate covers normal cost plus the unfunded actuarial liability payment based on a 30-year amortization period. The payment to amortize the unfunded actuarial liability is determined as a level percentage of payroll, based on the Actuarial Amortization Method adopted by the Investment Board.

In fiscal year 2015, pursuant to the required rate, Regular members contributed 5.95 percent of pay and the College contributed 8.93 percent for a total rate of 14.88 percent.

The College's contributions to IPERS for the year ended June 30, 2015 were \$756,844.

Net Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions - At June 30, 2015, the College reported a liability of \$5,008,331 for its proportionate share of the net pension liability. The net pension liability was measured as of June 30, 2014, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. The College's proportion of the net pension liability was based on the College's share of contributions to the pension plan relative to the contributions of all IPERS participating employers. At June 30, 2014, the College's collective proportion was 0.126285 percent, which was a decrease of 0.002737 percent from its proportion measured as of June 30, 2013.

For the year ended June 30, 2015, the College recognized pension expense of \$358,243. At June 30, 2015, the College reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

**SOUTHEASTERN COMMUNITY COLLEGE
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2015**

NOTE 5 - IOWA PUBLIC EMPLOYEES' RETIREMENT SYSTEM (IPERS) (CONTINUED)

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ 54,431	\$ -
Changes of assumptions	221,029	-
Net difference between projected and actual earnings on pension plan investments	-	1,910,033
Changes in proportion and differences between College contributions and proportionate share of contributions	-	71,121
College contributions subsequent to the measurement date	756,844	-
Total	\$ 1,032,304	\$ 1,981,154

\$756,844 reported as deferred outflows of resources related to pensions resulting from College contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ended June 30, 2016. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

Year Ended June 30,	
2016	\$ (429,765)
2017	(429,765)
2018	(429,765)
2019	(429,765)
2020	13,366
	\$ (1,705,694)

There are no non-employer contributing entities at IPERS.

**SOUTHEASTERN COMMUNITY COLLEGE
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2015**

NOTE 5 - IOWA PUBLIC EMPLOYEES' RETIREMENT SYSTEM (IPERS) (CONTINUED)

Actuarial Assumptions - The total pension liability in the June 30, 2014 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Rate of inflation (effective June 30, 2014)	3% per annum.
Rates of salary increase (effective June 30, 2010)	4.00 to 17.00 percent, average, including inflation. Rates vary by membership group.
Long-term investment rate of return (effective June 30, 1996)	7.5 percent, compounded annually, net of investment expense, including inflation.

The actuarial assumptions used in the June 30, 2014 valuation were based on the results of actuarial experience studies with dates corresponding to those listed above.

Mortality rates were based on the RP-2000 Mortality Table for Males or Females, as appropriate, with adjustments for mortality improvements based on Scale AA.

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. The target allocation and best estimates of arithmetic real rates of return for each major asset class are summarized in the following table:

<u>Asset Class</u>	<u>Asset Allocation</u>	<u>Long-Term Expected Real Rate of Return</u>
US Equity	23%	6.31
Non US Equity	15%	6.76
Private Equity	13%	11.34
Real Estate	8%	3.52
Core Plus Fixed Income	28%	2.06
Credit Opportunities	5%	3.67
TIPS	5%	1.92
Other Real Assets	2%	6.27
Cash	1%	(0.69)
Total	<u>100%</u>	

**SOUTHEASTERN COMMUNITY COLLEGE
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2015**

NOTE 5 - IOWA PUBLIC EMPLOYEES' RETIREMENT SYSTEM (IPERS) (CONTINUED)

Discount Rate - The discount rate used to measure the total pension liability was 7.50 percent. The projection of cash flows used to determine the discount rate assumed that employee contributions will be made at the contractually required rate and that contributions from the College will be made at contractually required rates, actuarially determined. Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Sensitivity of the College's Proportionate Share of the Net Pension Liability to Changes in the Discount Rate - The following presents the College's proportionate share of the net pension liability calculated using the discount rate of 7.50 percent, as well as what the College's proportionate share of the net pension liability would be if it were calculated using a discount rate that is 1-percentage-point lower (6.5 percent) or 1-percentage-point higher (8.5 percent) than the current rate.

	1% Decrease (6.5%)	Discount Rate (7.5%)	1% Increase (8.5%)
College's proportionate share of the net pension liability	\$ 9,463,100	\$ 5,008,331	\$ 1,248,044

Pension Plan Fiduciary Net Position - Detailed information about the pension plan's fiduciary net position is available in the separately issued IPERS financial report which is available on IPERS' website at www.ipers.org.

Payables to the Pension Plan - At June 30, 2015, the College reported payables to the defined benefit pension plan of \$51,551 for legally required employer contributions.

**SOUTHEASTERN COMMUNITY COLLEGE
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2015**

NOTE 6 - TEACHERS INSURANCE AND ANNUITY ASSOCIATION - COLLEGE RETIREMENT EQUITIES FUND (TIAA-CREF)

Southeastern Community College contributes to the TIAA-CREF retirement program which is a defined contribution pension plan. TIAA-CREF administers the retirement plan for the College. The defined contribution retirement plan provides individual annuities for each plan participant. As required by the Code of Iowa, all eligible College employees must participate in a retirement plan from the date they are employed.

Benefit terms, including contribution requirements, for TIAA-CREF are established and specified by the contract with TIAA-CREF, and in accordance with the Code of Iowa. For each employee in the pension plan, the College is required to contribute 8.93 percent of annual salary, including overtime pay, to an individual employee account. Each employee is required to contribute 5.95 percent. Contributions made by both employer and employee vest immediately. For the year ended June 30, 2015, employee contributions totaled \$352,649 and the College recognized pension expense of \$529,270.

At June 30, 2015, the College reported payables to the defined contribution pension plan of \$28,946 for legally required employer contributions.

NOTE 7 - RISK MANAGEMENT PROGRAM

The College is a member of the Insurance Management Program for Area Community Colleges (IMPACC), as allowed by Chapter 504A of the Code of Iowa. IMPACC is a group self-insurance program currently consisting of five Iowa community colleges. IMPACC was incorporated in May, 1988 for the purpose of giving its members more control over their property, liability and workers compensation insurance expenditures. The program provides coverage for the following exposures: general liability, automobile liability and physical damage, property and inland marine, wrongful acts and educators' legal liability, workers compensation and employer's liability, crime and employee fidelity, equipment breakdown (boiler & machinery) and cyber liability. There have been no reductions in insurance from prior years.

Each member's annual contribution provides capital sufficient to fund, on a cash basis, IMPACC's general and administrative expenses, claims, claims expenses and reinsurance expenses payable in the current year. The College's contributions to IMPACC are recognized as expenditures at the time of payment. The College's total contributions to IMPACC for the year ended June 30, 2015 were \$857,375.

IMPACC uses reinsurance and excess insurance to reduce its exposure to large losses. The program has a self-insured retention of \$100,000 per occurrence for wrongful acts and educators' legal liability; \$250,000 per occurrence for workers compensation and employer's liability; and \$200,000 per occurrence for most other claims. IMPACC purchases excess insurance on the following basis: For liability claims, up to \$10,000,000 per occurrence; for property claims, up to \$250,000,000 per occurrence; for workers compensation, coverage is provided to statutory limits.

**SOUTHEASTERN COMMUNITY COLLEGE
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2015**

NOTE 7 - RISK MANAGEMENT PROGRAM (CONTINUED)

An independent actuary reviews IMPACC's losses annually to provide an estimate of IMPACC's ultimate losses at a 70 percent confidence level. The College does not report a liability for claims in excess of insured limits unless it is deemed probable such losses have occurred and the amount of such losses can be reasonably estimated. Accordingly, as of June 30, 2015, no liability has been recorded in the College's financial statements. As of June 30, 2015, settled claims have not exceeded IMPACC's insurance coverage in any of the past three fiscal years. Members agree to continue membership in the program for a period of not less than three full years. After such period, a member who has given sufficient notice, in compliance with the bylaws, may withdraw from the program. Upon withdrawal, payments for all claims and claim expenses for the years of membership continue until all claims for those years are settled.

The College may purchase commercial insurance for specialty exposures not insured by IMPACC. The College assumes liability for any deductibles or claims in excess of policy limits. Settled claims have not exceeded commercial insurance coverage in any of the past three fiscal years.

NOTE 8 - NEW JOBS TRAINING PROGRAMS

The College administers the Iowa Industrial New Jobs Training Program (NJTP) in Area XVI in accordance with Chapter 260E of the Code of Iowa. NJTP's purpose is to provide tax-aided training or retraining for employees of industries that are new to or are expanding their operations within the State of Iowa. Certificates are sold by the College to fund approved projects and are to be retired by proceeds from anticipated jobs credits from withholding taxes, incremental property taxes, budgeted reserves and in the case of default, from standby property taxes. Since inception, the College has administered 90 projects with 19 currently receiving project funding. Of the remaining 71 projects, 2 have been completed with only the repayment of the certificates left and 69 have been completed and the certificates have been repaid (4 of the 69 certificates were repaid during the year).

NOTE 9 - EARLY RETIREMENT

The College offered an Early Retirement Incentive Plan (ERIP) to its employees in fiscal year 2015. Eligible employees must be 55 years of age with 10 or more years of consecutive service with the College. Retirement is to begin at the earlier of the end of the employee's contract or when a suitable replacement is found, if so requested. Participation must have been approved by the administrative office.

**SOUTHEASTERN COMMUNITY COLLEGE
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2015**

NOTE 9 - EARLY RETIREMENT (CONTINUED)

An employee approved for participation in the program would have received the following incentives:

1. The Early Retirement Incentive Lump-Sum Cash Severance amount shall be 10% of the final contracted salary (annualized if partial year) and 1% of the final contracted salary for each additional year of service (as of retirement date) in excess of 10 years. The eligible portion of the Early Retirement Incentive Severance amount shall be divided into equal payments over two fiscal years and deposited by the employer on behalf of the retiree into an annuity account in accordance with the Special Pay Deferral Plan established by the employer per the Internal Revenue Tax Code.
2. Any employee electing early retirement and having accumulated vacation days/hours shall have their vacation payout occur in one installment, deposited by the employer on behalf of the retiree into an annuity account in accordance with the Special Pay Deferral Plan established by the employer per the Internal Revenue Tax Code.
3. The cost of the employee's single \$250 deductible health insurance premium at the time of retirement shall be paid on a monthly basis until the retired employee becomes Medicare eligible or until their death.

At June 30, 2015, the College had obligations to 39 participants with a total liability of \$1,127,840. Actual early retirement expenditures for the year ended June 30, 2015 totaled \$266,723. The portion of the liability related to the health plan will be paid over the next 9 years.

NOTE 10 - OTHER POSTEMPLOYMENT BENEFITS (OPEB)

Plan Description - The College sponsors a single-employer other post-employment benefit plan that provides medical benefits to all active (178) and retired employees (32). All full-time or regular part time administrator, faculty, professional service or support staff employees are eligible to participate in the plan.

Medical Benefit - The medical benefit is a self-funded medical plan administered by Wellmark BlueCross/BlueShield. Retirees under age 65 pay the same premium for the medical benefit as active employees which results in an implicit subsidy and OPEB liability.

Funding Policy - The College establishes and amends contribution requirements. The College pays the single retiree premium until age 65; eligible spouses are required to contribute 100% of the premium. The current funding policy of the College is to fund benefits on a pay-as-you-go basis.

**SOUTHEASTERN COMMUNITY COLLEGE
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2015**

NOTE 10 - OTHER POSTEMPLOYMENT BENEFITS (OPEB) (CONTINUED)

Annual OPEB Cost and Net OPEB Obligation - Southeastern Community College's annual OPEB cost (expense) is calculated based on the annual required contribution (ARC) of Southeastern Community College, an amount actuarially determined in accordance with GASB Statement No. 45. The ARC represents a level of funding that, if paid on an ongoing basis, is projected to cover normal cost each year and amortize any unfunded actuarial liabilities over a period not to exceed 30 years.

The following table shows the components of Southeastern Community College's annual OPEB cost for the year ended June 30, 2015, the amount actuarially contributed to the plan and changes in Southeastern Community College's net OPEB obligation:

Annual required contribution	\$286,695
Interest on net OPEB obligation	4,715
Adjustment to annual required contribution	<u>(12,992)</u>
Annual OPEB cost	278,418
Contributions and payments made	<u>(349,830)</u>
Decrease in net OPEB obligation	(71,412)
Net OPEB obligation - July 1, 2014	<u>314,333</u>
Net OPEB obligation - June 30, 2015	<u><u>\$ 242,921</u></u>

For calculation of the net OPEB obligation, the actuary has set the transition day as July 1, 2008. The end of the year net OPEB obligation was calculated by the actuary as the cumulative difference between the actuarially determined funding requirements and the actual contributions for the year ended June 30, 2015.

The College's annual OPEB cost, the percentage of annual OPEB cost contributed to the plan, and the net OPEB obligation for the fiscal year 2015 and the three preceding years follows.

<u>Year Ended</u>	<u>Annual OPEB Cost</u>	<u>Percentage of Annual OPEB Cost Contributed</u>	<u>Net OPEB Obligation</u>
June 30, 2015	\$278,418	126%	\$242,921
June 30, 2014	\$351,962	78%	\$314,333
June 30, 2013	\$353,631	82%	\$237,075
June 30, 2012	\$359,743	86%	\$173,690

Funded Status and Funding Progress - As of July 1, 2014, the most recent actuarial valuation date for the period July 1, 2014 through June 30, 2015, the actuarial accrued liability was \$3,324,673, with no actuarial value of assets, resulting in an unfunded actuarial accrued liability (UAAL) of \$3,324,673. The covered payroll (annual payroll of active employees covered by the plan) was \$14,163,231 and the ratio of the UAAL to the covered payroll was (23.47%).

**SOUTHEASTERN COMMUNITY COLLEGE
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2015**

NOTE 10 - OTHER POSTEMPLOYMENT BENEFITS (OPEB) (CONTINUED)

Actuarial Methods and Assumptions - Actuarial estimates of an ongoing plan involve estimates of the value of reported amounts and assumptions about the probability of occurrence of events far into the future. Examples include assumptions about the future employment, mortality, and the healthcare cost trend. Amounts determined regarding the funded status of the plan and the annual required contributions of the employer are subject to continual revision as actual results are compared with past expectations and new estimates are made about the future. The Schedule of Funding Progress for the Retiree Health Plan, presented as required supplementary information following the notes to the financial statements, presents multiyear information about whether the actuarial value of plan assets is increasing or decreasing over time relative to the actuarial accrued liabilities for benefits.

Projections of benefits for financial reporting purposes are based on the substantive plan (the plan as understood by the employer and the plan members) and includes the types of benefits provided at the time of each valuation and the historical pattern of sharing of benefit costs between the employer and plan members to that point. The actuarial methods and assumptions used include techniques that are designed to reduce the effects of short-term volatility in actuarial accrued liabilities and the actuarial value of assets, consistent with the long-term perspective of the calculations.

In the July 1, 2014 actuarial valuation, the projected unit credit cost method was used. The actuarial assumptions included a 1.5% discount rate, an annual health care cost trend rate of 7.5% reduced by increments of 1% annually to an ultimate rate of 3%. The UAAL is being amortized as a level dollar amount. The amortization of UAAL is done over a period of 30 years. An inflation rate of 0% is assumed for the purpose of this computation.

NOTE 11 - RELATED PARTY TRANSACTIONS

During the year ended June 30, 2015, the Foundation paid the College \$232,683 for supplies, maintenance expense, and support and scholarship tuition reimbursements. The Foundation received \$35,539 in contributions from the College from employee payroll withholdings and \$21,635 in refunds from unused scholarships. The Foundation owed the College \$4,022 in accounts payable at June 30, 2015.

**SOUTHEASTERN COMMUNITY COLLEGE
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2015**

NOTE 12 - COMMITMENTS

At June 30, 2015, the College had the following construction contracts outstanding:

Project	Total Contract Amount	Portion at June 30, 2015	
		Completed	Committed
Health Sciences Building	\$ 7,056,981	\$1,281,129	\$ 5,775,852
Interior Renovation Projects	306,641	127,072	179,569
Underground Piping Replacement	311,166	291,126	20,040
	<u>\$ 7,674,788</u>	<u>\$1,699,327</u>	<u>\$ 5,975,461</u>

NOTE 13 - ACCOUNTING CHANGE/RESTATEMENT

Governmental Accounting Standards Board Statement No. 68, *Accounting and Financial Reporting for Pensions - an Amendment of GASB No. 27* was implemented during fiscal year 2015. The revised requirements establish new financial reporting requirements for state and local governments which provide their employees with pension benefits, including additional note disclosures and required supplementary information. In addition, GASB No. 68 requires a state or local government employer to recognize a net pension liability and changes in the net pension liability, deferred outflows of resources and deferred inflows of resources which arise from other types of events related to pensions. During the transition year, as permitted, beginning balances for deferred outflows of resources and deferred inflows of resources will not be reported, except for deferred outflows of resources related to contributions made after the measurement date of the beginning net pension liability which is required to be reported by Governmental Accounting Standards Board Statement No. 71, *Pension Transition for Contributions Made Subsequent to the Measurement Date*. Beginning net position was restated to retroactively report the beginning net pension liability and deferred outflows of resources related to contributions made after the measurement date, as follows:

	Net Position
Net position June 30, 2014, as previously reported	\$ 27,758,352
Net pension liability at June 30, 2014	(7,093,715)
Deferred outflows of resources related to contributions made after the June 30, 2013 measurement date	737,933
Net position July 1, 2014, as restated	<u>\$ 21,402,570</u>

SOUTHEASTERN COMMUNITY COLLEGE
NOTES TO REQUIRED SUPPLEMENTARY INFORMATION - PENSION LIABILITY
Year Ended June 30, 2015

Changes of benefit terms:

Legislation passed in 2010 modified benefit terms for current Regular members. The definition of final average salary changed from the highest three to the highest five years of covered wages. The vesting requirement changed from four years of service to seven years. The early retirement reduction increased from 3 percent per year measured from the member's first unreduced retirement age to a 6 percent reduction for each year of retirement before age 65.

In 2008, legislative action transferred four groups - emergency medical service providers, county jailers, county attorney investigators, and National Guard installation security officers - from Regular membership to the protection occupation group for future service only.

Benefit provisions for sheriffs and deputies were changed in the 2004 legislative session. The eligibility for unreduced retirement benefits was lowered from age 55 by one year each July 1 (beginning in 2004) until it reached age 50 on July 1, 2008. The years of service requirement remained at 22 or more. Their contribution rates were also changed to be shared 50-50 by the employee and employer, instead of the previous 40-60 split.

Changes of assumptions:

The 2014 valuation implemented the following refinements as a result of a quadrennial experience study:

- Decreased the inflation assumption from 3.25 percent to 3.00 percent.
- Decreased the assumed rate of interest on member accounts from 4.00 percent to 3.75 percent per year.
- Adjusted male mortality rates for retirees in the Regular membership group.
- Reduced retirement rates for sheriffs and deputies between the ages of 55 and 64.
- Moved from an open 30 year amortization period to a closed 30 year amortization period for the UAL beginning June 30, 2014. Each year thereafter, changes in the UAL from plan experience will be amortized on a separate closed 20 year period.

The 2010 valuation implemented the following refinements as a result of a quadrennial experience study:

- Adjusted retiree mortality assumptions.
- Modified retirement rates to reflect fewer retirements.
- Lowered disability rates at most ages.
- Lowered employment termination rates.
- Generally increased the probability of terminating members receiving a deferred retirement benefit.
- Modified salary increase assumptions based on various service duration.

SOUTHEASTERN COMMUNITY COLLEGE
NOTES TO REQUIRED SUPPLEMENTARY INFORMATION - PENSION LIABILITY
Year Ended June 30, 2015

The 2007 valuation adjusted the application of the entry age normal cost method to better match projected contributions to the projected salary stream in the future years. It also included in the calculation of the UAL amortization payments the one-year lag between the valuation date and the effective date of the annual actuarial contribution rate.

The 2006 valuation implemented the following refinements as a result of a quadrennial experience study:

- Adjusted salary increase assumptions to service based assumptions.
- Decreased the assumed interest rate credited on employee contributions from 4.25 percent to 4.00 percent.
- Lowered the inflation assumption from 3.50 percent to 3.25 percent.
- Lowered disability rates for sheriffs and deputies and protection occupation members.

Note: Fiscal year 2009 is the transition year for GASB Statement No. 45.

The information presented in the required supplementary information schedule was determined as part of the actuarial valuation as of July 1, 2014. Additional information follows:

- a) The cost method used to determine the ARC is the projected unit credit actuarial cost method.
- b) There are no plan assets.
- c) Economic assumptions are as follows: health care cost trend rates of 7.5% with an ultimate rate of 3%; discount rate of 1.5%.
- d) The amortization method is level dollar over a period of 30 years.

See accompanying independent auditor's report.

SUPPLEMENTARY INFORMATION

SOUTHEASTERN COMMUNITY COLLEGE
NOTES TO OTHER SUPPLEMENTARY INFORMATION
Year Ended June 30, 2015

Supplementary information of the College is presented on the basis of funds, each of which is considered to be a separate accounting entity. The operations of each fund are accounted for by providing a separate set of self-balancing accounts which comprise its assets, liabilities, deferred inflows of resources, fund balance, revenue and expenditures. The various fund groups and their designated purposes are as follows:

Current Funds - The Current Funds are utilized to account for those economic resources that are expendable for the purpose of performing the primary and supporting missions of the College and consist of the following:

Unrestricted Fund - The Educational and Support subgroup of the Unrestricted Fund accounts for the general operations of the College.

The Auxiliary Enterprises subgroup accounts for activities which are intended to provide non-instructional services for sales to students, staff and/or institutional departments, and which are supplemental to the educational and general objectives of the College.

Restricted Fund - The Restricted Fund is used to account for resources that are available for the operation and support of the educational program but which are restricted as to their use by donors or outside agencies.

Loan Funds - The Loan Funds are used to account for loans to students, and are financed primarily by the federal government.

Plant Funds - The Plant Funds are used to account for transactions relating to investment in the College properties, and consist of the following self-balancing accounts:

Unexpended - This account is used to account for the unexpended resources derived from various sources for the acquisition or construction of plant assets.

Retirement of Indebtedness - This account is used to account for the accumulation of resources for principal and interest payments on plant indebtedness.

Investment in Plant - This account is used to account for the excess of the carrying value of plant assets over the related liabilities.

Agency Funds - The Agency Funds are used to account for assets held by the College in a custodial capacity or as an agent for others. Agency Funds' assets equal liabilities.

The Budgetary Comparison Schedule of Expenditures - Budget to Actual provides a comparison of the budget to actual expenditures for those funds and/or levies required to be budgeted. Since the College uses Business Type Activities reporting, this budgetary comparison information is included as supplementary information.

Schedules presented in supplementary information are reported using the current financial resources measurement focus and the accrual basis of accounting with modifications for depreciation and other items included in the adjustments column. The schedule of revenues, expenditures and changes in fund balances is a schedule of financial activities related to the current reporting period. It does not purport to present the results of operations or net income or loss for the period as would a statement of income or a statement of revenues and expenses.

**SOUTHEASTERN COMMUNITY COLLEGE
BUDGETARY COMPARISON SCHEDULE OF EXPENDITURES -
BUDGET TO ACTUAL
Year Ended June 30, 2015**

<u>Funds/Levy</u>	<u>Original Budget</u>	<u>Actual</u>	<u>Variance</u>
Total Unrestricted Current Fund expenditures		\$ 23,375,475	
Total Restricted Current Fund expenditures		23,774,736	
Less:			
Auxiliary Enterprise expenditures		2,720,144	
Workforce Investment Act expenditures		1,553,059	
Temporary Assistance for Needy Families		936,175	
Scholarships and Grants		<u>10,782,623</u>	
 Total Current Funds	 \$ 38,441,607	 31,158,210	 \$ 7,283,397
 Plant, Bonds and Interest	 <u>10,094,776</u>	 <u>4,285,051</u>	 <u>5,809,725</u>
 Total	 <u>\$ 48,536,383</u>	 <u>\$ 35,443,261</u>	 <u>\$ 13,093,122</u>

The Board of Trustees annually prepares a budget designating the proposed expenditures for operation of the College on a basis consistent with accounting principles generally accepted in the United States of America. Following required public notice and hearing, and in accordance with Chapter 260C of the Code of Iowa, the Board of Trustees certifies the approved budget to the appropriate county auditors and then submits the budget to the State Board of Education for approval. The budget may be amended during the year utilizing similar statutory prescribed procedures. Formal and legal budgetary control is based on total operating expenditures.

Budgets are not required to be adopted for the Auxiliary Enterprises subgroup, Workforce Improvement Act accounts, Temporary Assistance for Needy Families, Scholarships and Grants Account, Loan Funds and Agency Funds.

For the year ended June 30, 2015, the College's expenditures did not exceed the amount budgeted.

See accompanying independent auditor's report.

SOUTHEASTERN COMMUNITY COLLEGE
NOTE TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
Year Ended June 30, 2015

NOTE 1 - BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards includes the federal grant activity of Southeastern Community College and is presented on the accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the basic financial statements.

See accompanying independent auditor's report.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN
AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE
WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Trustees
Southeastern Community College

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Southeastern Community College, West Burlington, Iowa, and the discretely presented component unit, as of and for the year ended June 30, 2015, and the related notes to the financial statements, which collectively comprise the College's basic financial statements, and have issued our report thereon dated December 2, 2015.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Southeastern Community College's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Southeastern Community College's internal control. Accordingly, we do not express an opinion on the effectiveness of Southeastern Community College's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Southeastern Community College's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Iowa State Statutory Requirements

Comments involving statutory and other legal matters about the College's operations for the year ended June 30, 2015 are based exclusively on knowledge obtained from procedures performed during our audit of the financial statements of the College as identified in Part IV of the accompanying Schedule of Findings and Questioned Costs. Since our audit was based on tests and samples, not all transactions that might have had an impact on the comments were necessarily audited. The comments involving statutory and other legal matters are not intended to constitute legal interpretations of those statutes.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE
FOR EACH MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER
COMPLIANCE REQUIRED BY OMB CIRCULAR A-133**

To the Board of Trustees
Southeastern Community College

Report on Compliance for Each Major Federal Program

We have audited Southeastern Community College's compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of Southeastern Community College's major federal programs for the year ended June 30, 2015. Southeastern Community College's major federal programs are identified in the summary of auditor's results section of the accompanying Schedule of Findings and Questioned Costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Southeastern Community College's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Southeastern Community College's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Southeastern Community College's compliance.

Opinion on Each Major Federal Program

In our opinion, Southeastern Community College, complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2015.

Report on Internal Control Over Compliance

Management of Southeastern Community College is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Southeastern Community College's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Southeastern Community College's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.

**SOUTHEASTERN COMMUNITY COLLEGE
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
Year Ended June 30, 2015**

Part I - Summary of Independent Auditor's Results:

Financial Statements

Type of auditor's report issued: Unmodified opinion

Internal control over financial reporting:

- Material weakness(es) identified? yes no
- Significant deficiency(ies) identified that are not considered to be material weaknesses? yes none reported
- Noncompliance material to financial statements noted? yes no

Federal Awards

Internal control over major programs:

- Material weakness(es) identified? yes no
- Significant deficiency(ies) identified that are not considered to be material weakness(es)? yes none reported

Type of auditor's report issued on compliance for major programs:

Unmodified opinion

Any audit findings disclosed that are required to be reported in accordance with section 510(a) of OMB Circular A-133? yes no

Identification of major programs:

<u>CFDA Number(s)</u>	<u>Name of Federal Program or Cluster</u>
	<u>Student Financial Aid Cluster:</u>
<u>84.007</u>	<u>Federal Supplemental Educational Opportunity Grants (FSEOG)</u>
<u>84.033</u>	<u>Federal Work-Study Program (FWS)</u>
<u>84.063</u>	<u>Federal Pell Grant Program</u>
<u>84.268</u>	<u>Federal Direct Student Loans</u>
	<u>TRIO Cluster:</u>
<u>84.042</u>	<u>TRIO Student Support Services</u>
<u>84.047</u>	<u>TRIO Upward Bound</u>
<u>93.558</u>	<u>Temporary Assistance for Needy Families</u>

Dollar threshold used to distinguish between type A and type B programs: \$ 300,000

Auditee qualified as low-risk auditee? yes no

**SOUTHEASTERN COMMUNITY COLLEGE
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
Year Ended June 30, 2015**

Part II: Findings Related to the Financial Statements:

INTERNAL CONTROL DEFICIENCIES:

No matters were noted.

INSTANCES OF NONCOMPLIANCE:

No matters were noted.

**SOUTHEASTERN COMMUNITY COLLEGE
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
Year Ended June 30, 2015**

Part III: Findings and Questioned Costs for Federal Awards

INSTANCES OF NONCOMPLIANCE:

No matters were noted.

INTERNAL CONTROL DEFICIENCIES:

No matters were noted.

**SOUTHEASTERN COMMUNITY COLLEGE
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
Year Ended June 30, 2015**

Part IV: Other Findings Related to Required Statutory Reporting:

- 2015-001 Certified budget - Expenditures for the year ended June 30, 2015 did not exceed amount budgeted.
- 2015-002 Questionable expenditures - No expenditures we believe did not meet the requirements of public purpose as defined in an Attorney General's opinion dated April 25, 1979 were noted.
- 2015-003 Travel expense - No expenditures of College money for travel expenses of spouses of College officials or employees were noted. No travel advances to College officials or employees were noted.
- 2015-004 Business transactions - No business transactions between the College and College officials or employees were noted.
- 2015-005 Bond coverage - Surety bond coverage of College officials and employees is in accordance with statutory provisions. The amount of coverage should be reviewed annually to ensure the coverage is adequate for current operations.
- 2015-006 Board minutes - No transactions were found that we believe should have been approved in the Board minutes but were not.
- 2015-007 Publication - The College published a statement showing all receipts and disbursements of all funds, including the names of all persons, firms, or corporations to which disbursements were made, as required by Section 260C.14(12) of the Code of Iowa.
- 2015-008 Deposits and investments - No instances of noncompliance with the deposit and investment provisions of Chapter 12B and 12C of the Code of Iowa and the College's investment policy were noted.
- 2015-009 Credit/Contact Hours - Eligible credit and contact hours reported to the Iowa Department of Education by the College were supported by detailed records maintained by the College, except for an overstatement of 18,563 adult/continuing education contact hours.

Recommendation - The College should develop procedures to ensure the report submitted to the Iowa Department of Education is supported by detailed records.

Response - The College will continue to monitor credit/contact hours to ensure all reports submitted are supported by the College's detailed records.

Conclusion - Response accepted.
